

More Trains, More Services

Coniston, Austinmer and Wollongong

October/November 2023

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The More Trains, More Services program is delivering platform extensions and asset upgrades between Sydney's CBD and the South Coast.

We will be completing work across several locations on the south coast in October and November.

What work are we doing?

Work in the coming months includes:

Coniston

- installing signalling equipment and cable routes
- modifying and installing cables to Coniston substation
- adjusting overhead wiring
- minor rectification work

Austinmer

- installing and adjusting overhead wiring
- new fencing and screens on Mountain Road Bridge above rail tracks

We will be closing a single lane on Mountain Road at Austinmer between **6am and 6pm Saturday 7 October and Sunday 8 October**.

Access will be maintained during work.

Weekend work

We will be completing weekend work in October between **6pm Friday 6 October and 7am Monday 9 October** at both stations.

You may notice:

- workers and vehicles
- traffic control and signage
- noise from machinery and equipment

Working hours

Aside from weekend work mentioned above, we will continue working during standard construction hours **7am to 6pm, Monday to Friday and 8am to 1pm Saturday**.

Wollongong Station heritage sign

An Aboriginal heritage sign has been installed at Wollongong Station.

The sign was proudly developed in collaboration with artists from Coomaditchie United Aboriginal Corporation to contribute to local cultural activities and community identity through infrastructure artwork.

We would love to hear your feedback via the QR code or call us **1800 684 490**
