

Sydney Trains

Yennora to Cabramatta track maintenance

From Monday 27 March to Friday 31 March 2023

What we're doing

Sydney Trains will complete maintenance works between Yennora and Cabramatta from Monday 27 March to Friday 31 March.

Sydney Trains construction and maintenance works include:

- Routine electrical maintenance
- Routine inspections and minor maintenance works
- Signal testing and commissioning works
- Track inspection and preventative maintenance.

How this affects you

Noise

- These works may create additional noise on weeknights
- **Work will take place nightly between 11pm to 3am from Monday 27 March to Friday 31 March.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
