

Work continues at Little Hartley

December 2023

Coxs River Road Upgrade
December 2023

Transport for NSW acknowledges people of the Wiradjuri Nation as the Traditional Custodians of the lands on which we work and pays respects to Elders past and present.

The Coxs River Road upgrade will reduce congestion and improve safety and accessibility for all local and highway road users, commuters and pedestrians.

Transport for NSW's contractor Ertech is continuing works at Little Hartley for the Coxs River Road Upgrade.

What work are we doing?

Earthworks and construction activity will continue over the **next six to eight weeks** including:

East of Coxs River Road

- Soil nailing and shotcrete
- Constructing a detention basin
- Installing drainage
- Building the Coxs River Road Bridge

West of Coxs River Road

- Installing drainage
- Constructing a detention basin

Around Browns Gap Road

- Concreting hardstand area
- Installing kerb and gutter

Across the Project:

- Building concrete footpaths
- Asphaltting
- Installing road furniture and line marking
- General earthworks

When and where we'll be working

We will continue working under our standard working hours between **7am to 6pm, Monday to Friday**.

We will stop work for the Christmas break from **Friday 22 December** and work will restart on **Wednesday 3 January 2024**.

What will this mean for you?

Most of this work will have minimal impact on residents. However, you may notice:

- Noise from machinery and equipment
- Plant movement in and out of the project site
- Traffic control and reduced speed limits in place. Please allow an additional five minutes for your travel time.

Managing our impacts

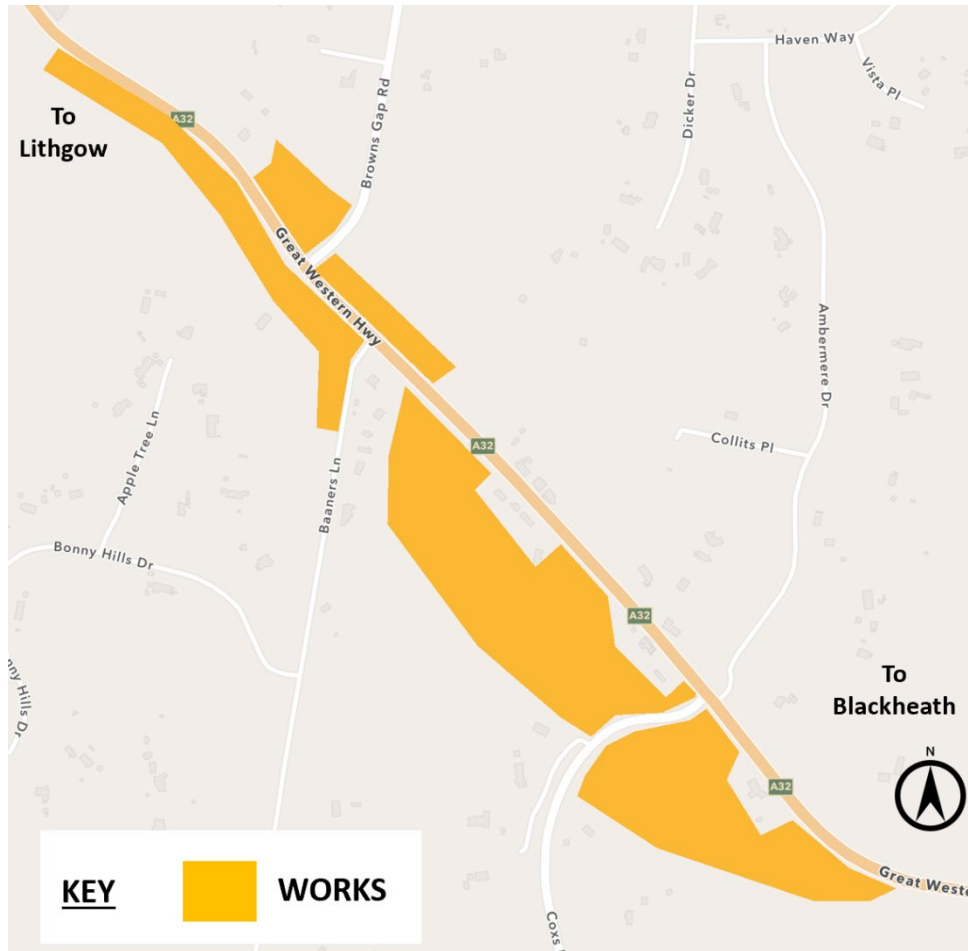

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Fencing work areas for safety and security.
- Reducing our noise as much as possible by working in stages and turning off machinery when not in use.

Location of work area

Traffic changes

All road users are advised to follow the directions of signs and traffic control and slow down on approach.

We understand that this work may generate some inconvenience and we thank you for your patience.

For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
