

Out of hours work on Memorial Avenue at Kellyville from 1 December

Memorial Avenue Upgrade
November 2023

Transport for NSW acknowledges the Dharug people of as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Memorial Avenue is being upgraded to a four-lane road between Old Windsor Road and Windsor Road at Kellyville to reduce travel times and congestion and improve road safety.

What work are we doing?

In December, we will carry out the following works:

- building road pavements, traffic islands and road surfaces
- traffic signal work

When we'll be working

We will be working from **Friday 1 to Friday 22 December**, weather permitting. Our out of hours

work will be between **8pm to 5am Sunday to Friday and 7am to 5pm on Saturday**.

Normal working hours are between 7am and 6pm Monday to Friday and between 8am and 1pm on Saturday.

What will this mean for you?

We will be completing our work at night to reduce traffic disruption and any safety risks to the workers and road users.

The night work will involve some machinery that makes noise and vibration. We will make every effort to lessen the disturbance where possible, completing noisier work earlier in the evening and turning off vehicles when not in use.

Where we'll be working

Our night work schedule

Activity	Duration
Construction of concrete traffic islands and kerbs at the intersection of Old Windsor Road and Sunnyholt Road	1 x 5 nights
Work on the traffic signals at the intersection of Old Windsor Road and Sunnyholt Road	1 x 5 nights
Earthworks and pavement construction on the eastern side of Windsor Road between Presidents and Wrights Road	2 x 5 nights
Utilities connection (water main) at the intersection of Arnold Avenue (west) and Memorial Avenue	1 night

Holiday Season Closedown

The Memorial Avenue upgrade team will finish major work at our site on **Friday 22 December** and will **resume work on Tuesday 2 January 2023**. Standby crews and site security will be onsite over the period, and surveillance cameras will be operating.

We wish you and your families all the best over the holiday season.

Thank you

We would like to thank the local community, surrounding businesses and people driving through who have been patient and understanding while we build this important upgrade.
