**5am Sunday to Friday and 7am to 5pm on Saturday.**

Normal working hours are between 7am and 6pm Monday to Friday and between 8am and 1pm on Saturday.

## What will this mean for you?

We will be completing our work at night to reduce traffic disruption and any safety risks to the workers and road users. The night work will involve some machinery that generates noise and vibration. We will make every effort to lessen the disturbance where possible, completing noisier work earlier in the evening and turning off vehicles when not in use.
