

Temporary closure of M4 Roper Road westbound off ramp for three nights from Friday 17 February

Transport for NSW/ February 2023

The NSW Government is funding the construction of the M4 Motorway Roper Road on ramp and local roads within Erskine Park and St Clair.

As part of this project, a temporary weekend **night-time** closure of the M4 Roper Road westbound off ramp is required to facilitate the construction of guardrails, kerbing, asphaltting and traffic signals along Erskine Park Road.

We will temporarily close the M4 Roper Road westbound off ramp **at night from 8pm to 8am on Friday 17 February, Saturday 18 February and Sunday 19 February 2023**, weather permitting.

Should this work not proceed as scheduled, work will take place the following weekend, weather permitting.

Traffic changes and detour

Traffic control and electronic signage will be in place to ensure the work zone is safe for workers and road users. To minimise traffic disruption, road users will be redirected to the M4 Mamre Road westbound off ramp (see map). There will be additional lane closures traffic management in place on Erskine Park Road. Road users are encouraged to plan ahead for the detour that will be in place.

Please keep to speed limits. For the latest traffic updates, contact 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Following this temporary closure, we will continue to carry out night work in this location up to five nights a week as required.

How this work will affect you

During this work you may experience some noise from our construction activity, however we will make every effort to minimise the impact for residents by turning off machinery and vehicles when not in use and directing lights and noisy equipment away from properties where possible.

The project team will use a variety of equipment to carry out this work including a road saw, vac truck, excavator, roller, paver, concrete trucks, jack hammer, elevated work platform, light vehicles and lighting towers.

We thank you for your patience during this work.

Contact us

If you have any questions or would like more information on the project please contact our team on 1800 842 103 or M4roperroad.community@georgiou.com.au.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 842 103
