

# Pedestrian detour on Memorial Ave from Monday 19 June

May 2023

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The NSW Government is upgrading Memorial Avenue to a four-lane road between Old Windsor Road and Windsor Road at Kellyville.

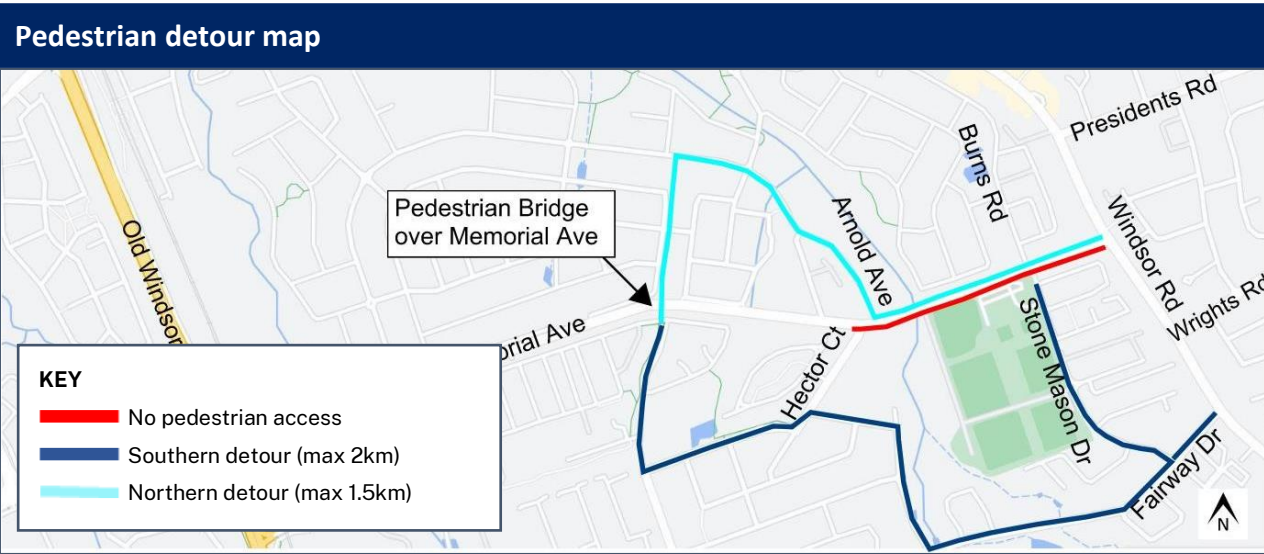

## What work are we doing?

We are starting work on the next stage of Memorial Avenue. As part of this work we need to close 650 meters of unpaved path on the southern side of Memorial Avenue between Windsor Road and Hector Court.

## What will this mean for you?

**From Monday 19 June to mid-2024**, people living on the southern side of Memorial Ave wanting to walk to or from Windsor Rd will need to take a detour south via Fairway Dr, or north via the pedestrian bridge and the northern side of Memorial Ave. This will add a minimum of 15 minutes of walking time. There will be signage in place to guide pedestrians.

After completion of the project in mid-2024, a concreted shared path will be available.
