

Night work continuing on Memorial Avenue at Kellyville from 1 September

Memorial Avenue Upgrade August 2023

Transport for NSW acknowledges the Dharug people of as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Memorial Avenue is being upgraded to a four-lane road between Old Windsor Road and Windsor Road at Kellyville.

What work are we doing?

In September, we will carry out the following works:

- asphaltting and concrete work for kerbs, pedestrian islands, road surfaces and shared pedestrian paths and finishing work
- traffic signal work.

When we'll be working

We'll be working out of hours between Friday 1 and Saturday 30 September, weather permitting. Our out of hours work in September will be

between 8pm to 5am Sunday to Friday and 7am to 5pm on Saturday.

Normal working hours are between 7am and 6pm Monday to Friday and between 8am and 1pm on Saturday.

What will this mean for you?

We will be completing our work at night to reduce traffic disruption and any safety risks to the workers and road users. The night work will involve some machinery that generates noise and vibration. We will make every effort to lessen the disturbance where possible, completing noisier work earlier in the evening and turning off vehicles when not in use.
