

# Nightwork on the Mitchell Highway at Guyong from Sunday 17 December

December 2023

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential maintenance work on the Mitchell Highway at Guyong.

## What work are we doing?

Work involves asphaltting to provide an improved road surface.

## When and where we'll be working

We will carry out the work at night to minimise impacts to traffic.

We will be working between **7pm to 5am**, from **Sunday 17 December**, and expect to complete the work in **two nights**, weather permitting.

The work will take place on the Mitchell Highway near Hanson Quarry, approximately one kilometre west of Gordon Road.

We have included a map to show the location of the work.

## What will this mean for you?

You may notice:

- Noise from machinery and equipment
- Traffic control, lighting and signage in place

## Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Reducing our noise and lighting as much as possible by turning off machinery and vehicles when not in use and direct lighting away from residences where possible

## Traffic Impacts

- Reduced speed limit to 40km/h
- Single lane closures
- Intermittent stopping

All road users are advised to follow the directions of signs and traffic control and slow down on approach.

## Location of work area
