

Mona Vale Road night lane closures between Manor Road and Ponderosa Parade – 17 and 18 August

Transport is upgrading Mona Vale Road between Manor Road, Ingleside and Foley Street, Mona Vale, from two lanes to four lanes to ease congestion, reduce travel times and improve safety.

Fauna overpass bridge supports installed

We recently advised you of work planned on Mona Vale Road to install the supports for the new Fauna Bridge overpass.

We have scheduled the fauna bridge overpass supports installation and partial and full closure of Mona Vale Road between Manor Road and Ponderosa Parade on **Thursday 17 August and Friday 18 August**, weather permitting.

We need to carry out this work at night to;

- safely install the fauna bridge supports
- minimise traffic disruptions
- reduce safety risks to workers and motorists.

There will be a partial and full closure of Mona Vale Road over two nights:

- **Thursday 17 August from 9pm to 6am**, westbound lane closure for bridge support delivery
- **Friday 18 August**
 - from **9pm to 10:30pm** westbound lane closure
 - from **10:30pm to 5am** full closure of Mona Vale Road.

The full closure will start after the final bus passes through on Friday 18 August at 10:30pm. **A contingency day is in place for Friday 25 August, if work does not occur on the scheduled date.**

Additional temporary lane closures may be required for work on the bridge over coming weeks. We will notify you of this on the Variable Messaging Signs on Mona Vale Road.

How will our work affect you?

There may be impacts to some residents during this work, including noise and lighting.

Every effort will be made to minimise the impacts by turning machinery and vehicles off when not in use and directing lighting away from properties, where possible.

During this night work machinery and equipment used may include a big crane, large trucks, light vehicles, lighting towers. This work will be noisy.

Any directly impacted residents will be individually contacted in advance of the work.

If our work is delayed, we will notify you in advance of the new dates.

Detours

Light vehicles and emergency services vehicles travelling eastbound to Mona Vale will travel via Lane Cove Road and Cabbage Tree Road to Samuel Street roundabout.

Light vehicles and emergency service vehicles travelling westbound will travel via Samuel Street roundabout, Cabbage Tree Road and Lane Cove Road to Mona Vale Road.

Heavy vehicles (trucks) travelling **eastbound and westbound** will be **detoured via Wakehurst Parkway and Forest Way.**

Variable Messaging Signage will advise of the detours.
