

Moss Vale Station and Stabling Yard Upgrade

Community notification

October 2023

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is delivering upgrades to Moss Vale Station and Stabling Yard to achieve Disability Standards for Accessible Public Transport 2002 (DSAPT) compliance and accommodate the new Regional Rail fleet.

What work are we doing?

The next stage of work is removing the historic turntable from the stabling yard, involving spoil removal and recording of heritage items by archaeologists.

During recent investigations, small traces of bonded asbestos were uncovered. Salvage excavation work will be carried out by a licenced asbestos removalist to ensure a safe working environment for workers and the community.

When and where we'll be working

We will be working in the Moss Vale Stabling Yard area, adjacent to Lackey Road near Parkes Road, from **Monday 9 October 2023 for about five weeks.**

Working hours are **7am to 6pm Monday to Friday** and **8am to 1pm Saturday.**

What will this mean for you?

Work will be carried out during standard construction hours.

You may notice:

- workers and vehicles
- changes to traffic management and signage
- some machinery and equipment noise.

Managing our impacts

We aim to avoid impacts to the community and the environment by:

- engaging licenced asbestos removalists, including air monitoring
- fencing with shade cloth for safety and security
- reducing our noise as much as possible
- protecting trees with no-go areas
- monitoring asbestos air quality
- controlling site erosion and sediment.

All work is dependent on weather and site conditions and is subject to change.
