

Newtown to Redfern Signalling Upgrade

More Trains, More Services

December 2023

Transport for NSW acknowledges the Gadigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The More Trains, More Services program will simplify and modernise the rail network creating high capacity, turn up and go services for many customers.

This project will upgrade the rail signalling infrastructure between Newtown and Redfern stations to improve train movements through the stations.

What work are we doing?

Work inside the rail corridor will involve:

- installation of new signalling structures
- work on electrical infrastructure such as cables and overhead wiring.

When we'll be working

Standard construction hours are between **7am and 6pm Monday to Friday and 8am and 1pm on Saturdays.**

Some work will take place outside these hours from:

- **10pm Friday 1 December to 2am Monday 4 December 2023**
- **10pm Friday 15 December to 2am Monday 18 December 2023.**

For safety reasons, this work will take place during scheduled Sydney Trains trackwork periods when no trains will be running.

Temporary parking changes on Copeland Avenue

Up to seven parking spots will be temporarily unavailable near the rail access gate on Copeland Avenue **from 6am Friday 15 December to 6pm Sunday 17 December 2023** as shown overleaf.

This is to ensure there is sufficient room for a vacuum truck and other equipment to access the work area.

We apologise for any inconvenience this may cause and thank you for your patience.

What will this mean for you?

In addition to temporary parking changes, you may notice:

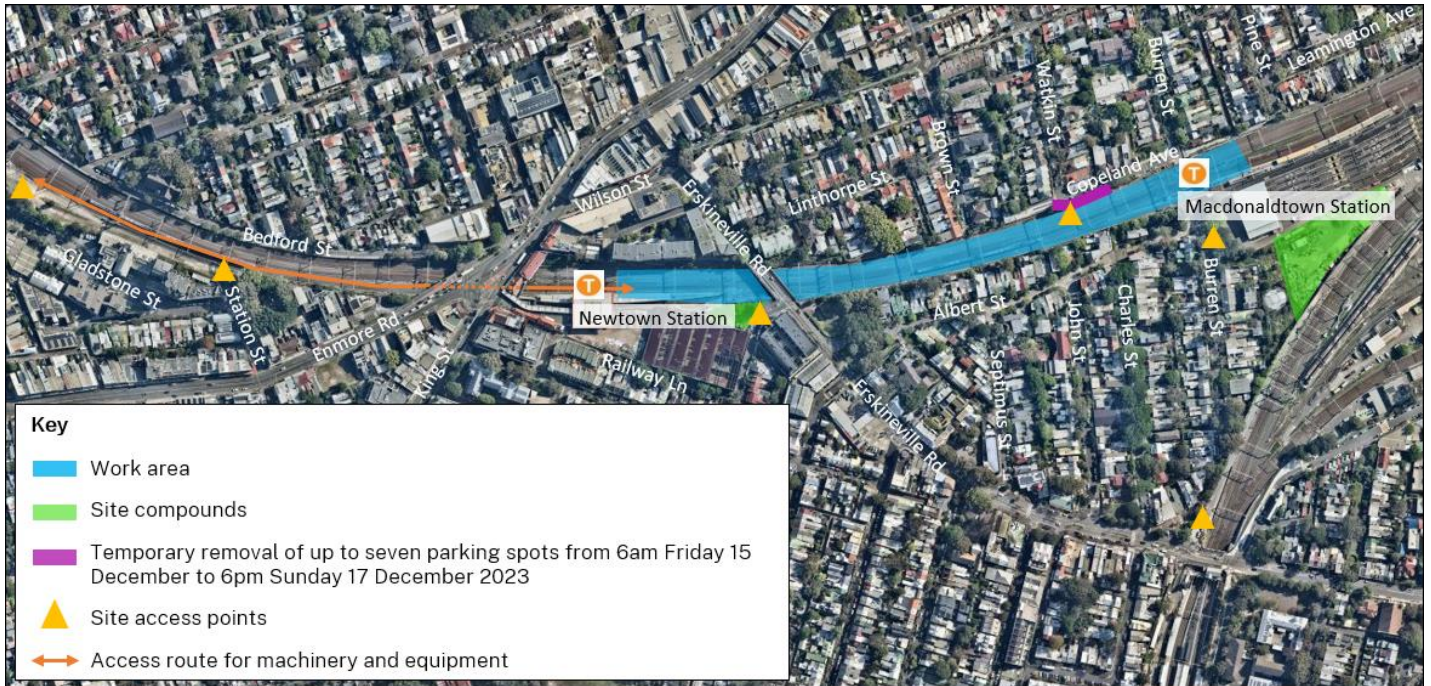

- traffic control
- an increase in workers and vehicles
- noise from machinery and equipment
- lighting from temporary lighting towers.

Managing our impacts

We understand our work may cause disruption for the community. We will seek to minimise impacts as much as possible and adhere to strict environmental conditions relating to noise, vibration and dust management.

Location of work and parking changes

We are going paperless

Soon we'll no longer be distributing paper notifications (unless requested) to reduce our environmental impacts.

Instead, we will contact you via email when there is work or deliveries that may impact you.

If you haven't already registered, please scan the QR code and fill out the form.

If you wish to continue to receive paper notifications, you can request this via the QR code or call us at 1800 684 490.

Thank you to residents who have already registered.

What's next?

We would like to thank you for your patience during our work throughout 2023 and wish you a happy holiday season.

We have further work planned in 2024 and will provide further details in the new year. In the meantime, if you have any questions about our work or would like more information, please contact us via the details below.
