Newcastle Inner City Bypass – Rankin Park to Jesmond

Out of hours work near Jesmond roundabout from Wednesday 4 October

The Australian and NSW governments are funding construction of a 3.4 kilometre section of the Newcastle Inner City Bypass between Rankin Park and Jesmond. Transport for NSW has engaged Fulton Hogan to finalise the design and construct this section of the bypass.

What's happening?

As part of our continuing work at Jesmond, we need to carry out survey and service locating on Newcastle Road, Blue Gum Road, Chalmers Road and Illoura Street. This work includes non-destructive digging using a vacuum truck to remove soil and other materials to locate underground utilities and services. We have included a map to better show the location of work.

This work is additional to the out of hours work currently under way in the area.

Work will be carried in or next to live traffic lanes or require the night-time bypassing of sewer lines so out of hours is the safest way to conduct this work.

Night work will be required from **Wednesday 4 October** until **Friday 3 November** between **6pm** and **7am** from **Monday** to **Friday**, weather permitting.

How will the work affect you?

At times we will use machinery and equipment which generates noise and vibration. Noise levels will be moderate to noisy. Directly affected residents will be contacted and advised of the likely impact and what we are doing to minimise disruption during the work. We will make every effort to minimise disruption.

More information

If you would like to provide feedback, or have any questions or complaints about this work, please contact our project team on **1800 818 433** (24 hours), email RP2JCommunity@fultonhogan.com.au or mail to PO Box 186, Waratah, NSW 2298.

For more information about the project visit nswroads.work/rp2j or scan the QR code to visit our interactive project portal.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or check the Live Traffic App.

Thank you for your patience during this important work.

Translating and interpreting service

If you need help understanding this information, please contact the Translating and Interpreting Service on **131 450** and ask them to call us on **1800 818 433**.
