Changed traffic conditions at Bogan Road in Parkes

Work is continuing on the Newell Highway upgrade, Parkes Bypass between Maguire Road and Barkers Road.

From Monday 6 February there will be changed traffic conditions on Bogan Road between Reedsdale Road and the Newell Highway, to support construction of the Parkes Bypass for up to 8 weeks. To enable machinery to cross Bogan Road safely, temporary boom gates may be in use at times. We have included a map to show the location of work.

Work will take place between **7am** and **6pm** from **Monday** to **Friday**, and from **8am to 5pm** on some **Saturdays** for up to **8 weeks**. We will let you know in advance if we need to do any work outside of these times.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will make every effort to minimise noise by arranging the work in stages at different locations and turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Traffic control, intermittent stopping and a reduced speed limit will be in place during work hours and may affect travel times.

Temporary boom gates may be in place when machinery is crossing, intermittently for up to eight weeks.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
