## Continued changed traffic conditions at Brolgan Road in Parkes

Work is continuing on the Newell Highway upgrade, Parkes Bypass between Maguire Road and Barkers Road.

A 120 metre section of Brolgan Road west of the Westlime Road intersection will continue to operate as a single lane under temporary traffic signals until May 2023 to enable pavement construction. We have included a map to show the location of changed traffic conditions.

Work will take place between **7am** and **6pm** from **Monday** to **Friday**, and between **8am** and **5pm** on some **Saturdays** and is expected to take **three months** to complete, weather permitting. We will let you know in advance if we need to do any work outside of these times.

### How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will make every effort to minimise noise by arranging the work in stages at different locations and turning off machinery and vehicles when not in use.

### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures, intermittent stopping and a reduced speed limit will be in place during and outside of work hours until this work is complete.

Please keep to speed limits and follow the direction of traffic controllers and signs and allow an extra five minutes travel time. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
