

Investigation work on North Rocks Road, Carlingford from Monday 27 November 2023

Community notification

November 2023

Transport for NSW acknowledges the Burrumattagal people of the Dharug Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will carry out investigation work at the intersection of Pennant Hills Road and North Rocks Road, Carlingford between Monday 27 November and Friday 8 December 2023.

This work will inform final planning of the Pennant Hills Road and North Rocks Road intersection upgrade project.

What work are we doing?

The work will involve locating underground utilities.

Work activities will include:

- establishing a temporary work site
- using machinery to conduct borehole drilling and excavating activities
- restoring the work area once the investigation work has been completed.

Further information on the project location is shown on the map overleaf.

When will we be working?

We will complete the work over **two night shifts** between **Monday 27 November** and **Friday 8 December 2023**, weather permitting.

Our work hours will be between **Monday** and **Friday, 9pm** and **5am**.

We will not work on the weekend after 5am Saturday.

What will this mean for you?

Our work needs to be carried out at night to limit disruption to traffic and reduce safety risks to our workers, pedestrians and motorists.

Our work may be noisy at times, but we will do everything we can to minimise our impacts, including:

- turning off equipment and vehicles when they are not in use
- using quieter equipment where possible
- completing the noisier tasks by midnight.

Pedestrian crossing changes

As our work site is in the location of the pedestrian crossing at the north-western side of the intersection, traffic controllers will be on site to assist pedestrians. The location of the crossing can further be seen on the map overleaf.

Traffic changes

There will be temporary traffic changes to make sure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place and may affect travel times.

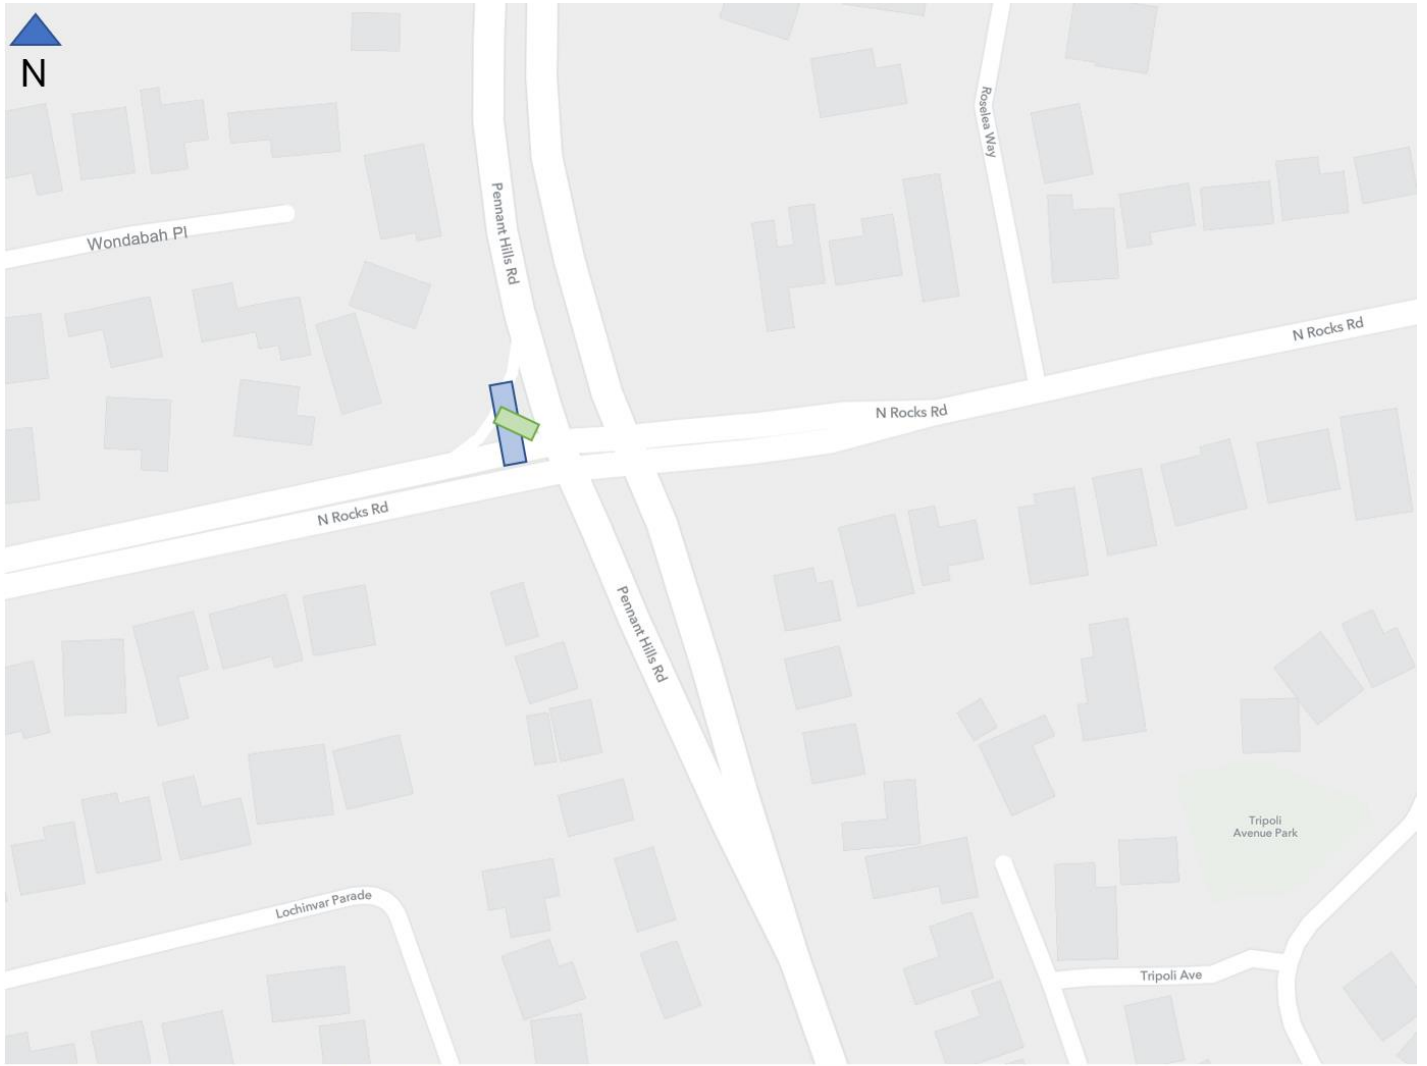

Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Transport for NSW thanks the community for their patience while we complete this important work.
