

Temporary closure of the intersection of Keyworth Drive and Prospect Highway

Prospect Highway Upgrade

August 2023

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is upgrading 3.6 kilometres of Prospect Highway between Reservoir Road, Prospect and St Martins Crescent, Blacktown to reduce congestion and help meet future traffic demands on this corridor.

We recently temporarily closed the intersection of Tudor Avenue at Prospect Highway to carry out work until Friday 18 August but thanks to the hard work of our team it is now back open.

When and where we'll be working

From Sunday 13 August until Friday 25 August (weather permitting), we will be closing the intersection of Keyworth Drive and Prospect Highway (Blacktown Road). Work will take place during day and night, for up to three nights per week. We will not work more than two nights in a row. The closure will allow us to work safely.

What work are we doing?

This will involve drainage work, excavation, placement of material, pavement construction and kerb and gutter installation.

Our work schedule

During this time, our work hours will be:

- Day: Monday to Friday 7am to 6pm and Saturday 8am to 1pm
- Night: Sunday to Thursday 8pm to 5am

What will this mean for you?

We will be working up to six night shifts over this period to reduce traffic disruption and any risks to the workers and road users during the day.

The night work will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier work earlier in the evening and turning off vehicles when not in use.

Traffic changes

To complete work at the intersection of Keyworth Drive and Prospect Highway, access will be closed between Sunday 13 August and Friday 25 August.

Detour:

Motorist travelling to and from Keyworth Drive will need to detour via Lancelot Street and Tudor Avenue. This will add an extra two-minutes of travel time.

For residents on Prospect Highway between Lancelot Street and Keyworth Drive, access will be temporarily changed. Access to these properties will be via the access road, entering from the Prospect Highway at Lancelot Street, and the exit will be located approximately 150 metres north of Lancelot Street. This will add an extra two-minutes of travel time.

Electronic message signs will be activated in both directions. Traffic control will be in place during work hours for the safety of workers and road users.

Motorists should follow signs and the traffic controller's direction and allow extra time as there may be minor delays.

Please refer to the maps below for the work location and detour information.

Location of work at the intersection of Keyworth Drive and Prospect Highway

-  Work zone and temporary road closure
-  Access to properties between Lancelot Street and Keyworth Drive
-  Access onto Prospect Highway
