

Nightworks on Tilga Street in Canowindra from Thursday 29 June

June 2023

Transport for NSW acknowledges the Wiradjuri people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is carrying out essential maintenance work in Canowindra.

What work are we doing?

The work will include asphaltting to repair and replace damaged road surfaces at two locations:

- The intersection of Tilga and Ferguson Street,
- Tilga Street between Newton and Gaskill Street.

When we'll be working

We will be working between **7pm** and **5am** for **two weeks** from **Thursday 29 June**.

We expect to complete the work in **eight nights**, weather permitting.

We will let you know in advance if we need to do any work outside these times. We have included a map to show the area of the work.

What will this mean for you?

There will be temporary restrictions to vehicle and pedestrian access to each property for around **two hours** while the work is carried out.

Please ensure vehicles are parked off-street prior to the commencement of work at 7pm each night, for the two-week duration of works.

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by completing noisier activities earlier in the evening and turning off machinery and vehicles when not in use.

Please contact us if you have any specific requirements that need to be met during this time.

Managing our impacts

There will be some temporary traffic changes to ensure the work zone is safe.

Single lane closures and a 40km/h speed limit will be in place for the duration of works, both during and outside work hours, which may affect travel times.

Ferguson Street will be closed during work hours between Waddell Street and Tilga Street. Resident access will be maintained via Waddell Street.

Tilga Street will be closed during work hours between Finn Street and Ferguson Street. Resident access will be maintained via Finn Street.

Motorists travelling towards the intersection will be able to make the following movements:

- Left turn only from Ferguson Street into Tilga Street,
- Right turn only from Tilga Street into Ferguson Street.

There will be no other traffic movements through the Tilga and Ferguson Street intersection during work hours.

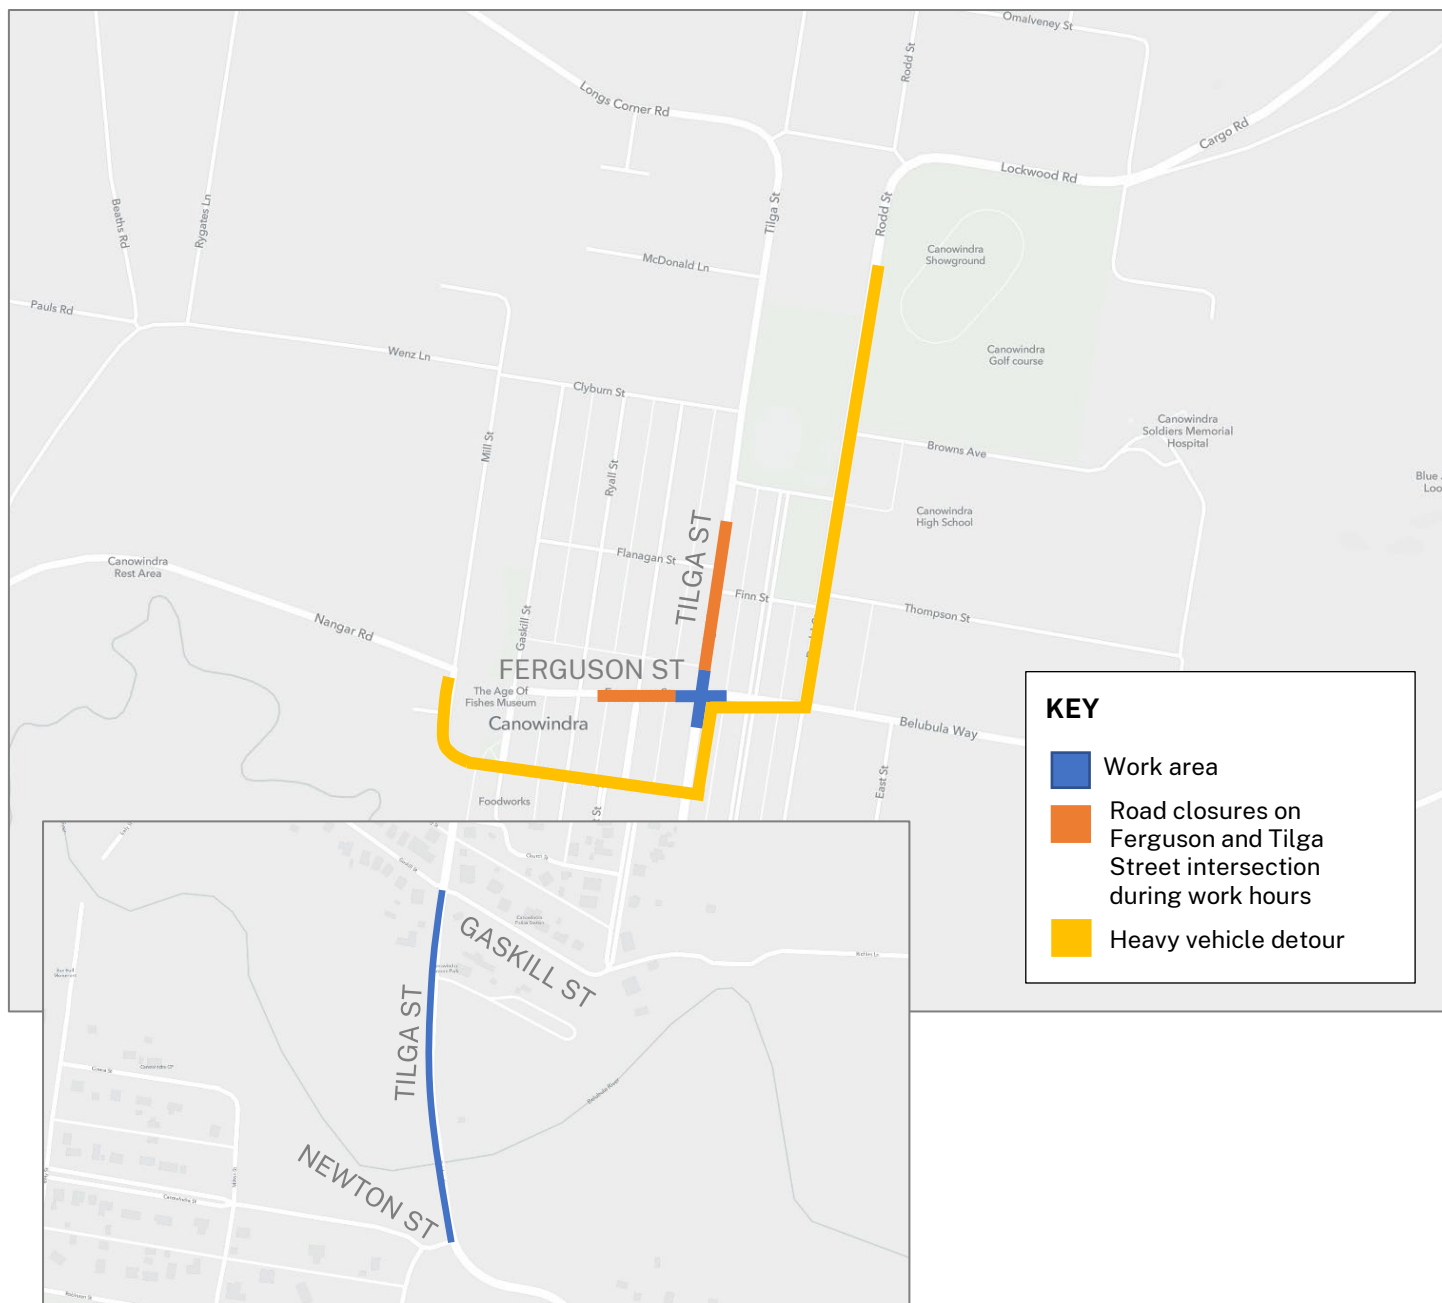

Motorists should allow up to five minutes extra travel time.

Please keep to speed limits and follow the direction of traffic controllers and signs.
