

January 2023

Works on Briscoe and Sturt Streets in Tibooburra from 30 January 2023

As part of the NSW Government's Silver City Highway Initial Seal Project, Transport for NSW will complete tie-in works within the Tibooburra township.

Work will include maintenance on Briscoe Street and the sealing of Sturt Street in Tibooburra.

We will be working between **7am** and **6pm Monday to Friday** from **Monday 30 January**. We expect to complete the work in **four weeks**, weather permitting. We will let you know in advance if we need to do any work outside these times.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.

Traffic changes

There will be temporary traffic changes to ensure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place during work hours and may affect travel times. Motorists should allow up to 5 minutes extra travel time during this work.

Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact the project team on 1800 167 499 or western.projects@transport.nsw.gov.au

Thank you for your patience during this important work.
