

# Essential maintenance on Oxley Highway near Gilgandra from Monday 19 June

May 2023

Transport for NSW acknowledges the Wiradjuri people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The NSW Government is funding essential maintenance work on the Oxley Highway to improve safety and provide a smoother road surface.

## What work are we doing?

The work will include road shoulder widening and strengthening along the Oxley Highway between Gilgandra and Warren.

The work area is located 45km west of Gilgandra, travelling towards Warren.

## When we'll be working

We will be working between **7am** and **6pm** from **Monday** to **Saturday**, starting Monday 19 June.

Work is expected to be completed in **four months**, weather permitting.

We will let you know in advance if we need to do any work outside these times.

## What will this mean for you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery when not in use.

## Managing our impacts

We have included a map to show the location of works.

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place during work hours, which may affect travel times.

Motorists should allow up to 10 minutes extra travel time during the work.

Should your property access be impacted, our crews will contact you directly and traffic control will be on site to assist.

Please keep to speed limits and follow the direction of signs and traffic control.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.
