Nightwork on the Great Western Highway, Mount Lambie

Motorists are advised of changed traffic conditions on the Great Western Highway between Lithgow and Bathurst for night work on Tuesday 23 April.

This essential maintenance work involves repairing the wire rope barrier and is expected to take one night to complete, weather permitting.

The work will be carried out between 7pm and 5am at:

- Mount Lambie, approximately 18 kilometres west of Lithgow

Changed traffic conditions will be in place during work hours. Single lane closures, intermittent stopping, and a reduced speed limit of 40 km/h will be in place for the safety of workers and motorists.

Motorists are advised to drive to the conditions, allow an extra five minutes of travel time and follow the direction of signs and traffic control.

Access for residents and emergency services will be maintained.

Transport for NSW thanks motorists for their patience during this time.
