

Have your say

Bulli bypass

February 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW has begun early investigations for the Bulli bypass.

Have your say

Transport is investigating the extension of Memorial Drive to provide a bypass of the Bulli town centre. The project will consider improvements to safety, congestion and travel times. As part of this early planning work, the community is invited to provide their input on the Bulli bypass by taking the online survey.

Have your say

Your feedback is important to us. Scan the QR to take our survey and plot your input on our interactive mapping tool.
