Changes in South East Sydney

Changes to services include:

- 10 routes will have timetable changes predominantly in the Randwick area. These changes are to improve reliability, including some with changes in frequency (to better reflect demand and reduce duplication)
- 1 route with minor route adjustment for route 339 (Clovelly to Central Station)

The adjustments to these timetables and routes in the across Sydney aim to improve reliability and capacity to meet passenger demand.

There are also a number of changes to dedicated school services that will be made to improve the travel needs of students and schools.
