

# Changed traffic conditions for nightwork on Park Street in Millthorpe from Wednesday 10 July

July 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is carrying out essential maintenance work on Park Street in Millthorpe.

## What work are we doing?

The work will include asphaltting to repair damaged road surfaces on Park Street in Millthorpe.

We have included a map to show the work area.

## When we'll be working

We will be working during the night from **7pm to 5am on weeknights**, from **Wednesday 10 July**.

We expect to complete the work in **three shifts over a period of five night**, weather permitting.

We will let you know in advance if we need to do any work outside these times.

## What will this mean for you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.

Please contact us if you have any specific requirements.

## Traffic impacts

There will be some temporary traffic changes to ensure the work zone is safe.

The road will remain open with single lane closures and a 40 km/h speed limit will be in place throughout the works which may affect travel times.

Motorists should allow up to five minutes extra travel time.

Please keep to speed limits and follow the directions of traffic controllers and signs.

## Managing our Impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- reducing our noise as much as possible
- turning off machinery and vehicles when not in use
- directing lighting away from residences.
