

Changed traffic conditions on Durham Street, Bathurst from Sunday 11 August

August 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is carrying out essential road maintenance work in Bathurst.

What work are we doing?

The work will include asphaltting to repair the damaged road surface on Durham Street.

When we'll be working

Work will be carried out on Durham Street between Stewart Street and Rankin Street.

We have included a map to show the work area.

We will be working between **7pm** and **5am** from **Sunday 11 August** and expect to complete the work in **two nights**, weather permitting.

We will let you know in advance if we need to do any work outside these times.

What will this mean for you?

There will be temporary restrictions to vehicle and pedestrian access to properties within the work area on Durham Street while the work is carried out.

Please ensure vehicles are parked off-street prior to the commencement of work at 7pm each night, for the duration of works.

Please contact us if you have any specific requirements that need to be met during this time.

Traffic Changes

There will be some temporary traffic changes to ensure the work zone is safe.

There will be no access to Rankin Street from Durham Street, local detours will be in place.

Single lane closures and a 40 km/h speed limit in place during work hours which may affect travel times.

Motorists should allow up to ten minutes extra travel time.

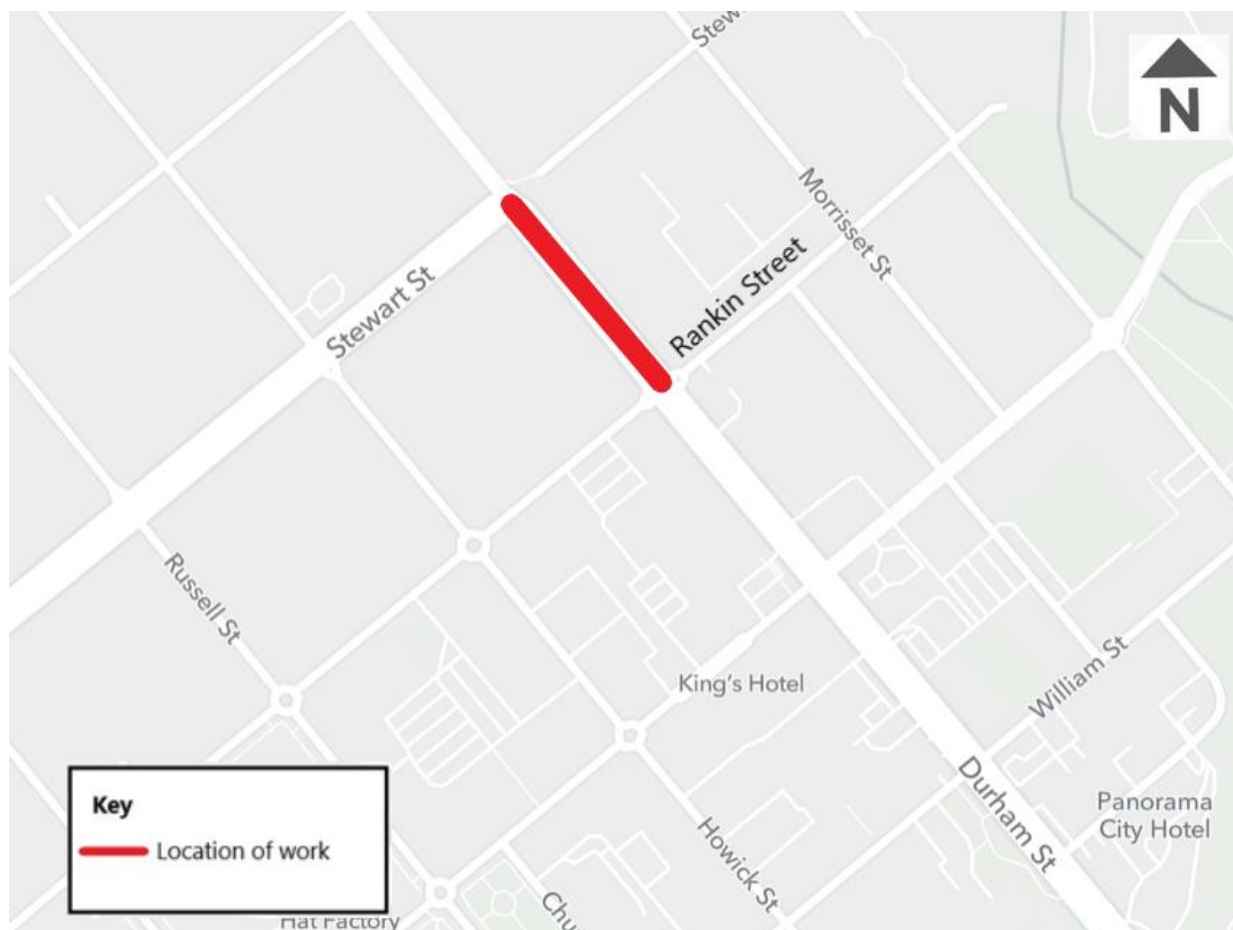

Please keep to speed limits and follow the directions of traffic controllers and signs.

Managing our impacts

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.
