

# Wollongong to Coniston infrastructure upgrade

## Community Notification

December 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Rail Service Improvement Program is delivering a safer, more equitable and integrated transport network to help people move safely, reliably and efficiently across NSW.

### What work are we doing?

In December, we will be:

- completing overhead wiring upgrades in the rail corridor at Coniston, including site set-up and deliveries.

### When we'll be working

Set-up of the site compound will start on **Monday 2 December**, and will be removed on **Thursday 12 December**.

Out-of-hours work will be carried out between **6pm and 7am** from **Friday 6 December and Monday 9 December 2024**.

*All work is dependent on weather and site conditions and is subject to change.*

### What will this mean for you?

For the safety of staff and passengers, work will take place during a scheduled Sydney Trains trackwork period. No trains will operate at this time and the station is closed.

You may notice:

- workers and vehicles
- noise from machinery and equipment
- equipment and material deliveries.

### Managing our impacts

Wherever possible, we will take measures to reduce noise, including:

- turning off vehicles and equipment when not in use
- exercising respite periods during work
- using non-tonal reversing beepers
- directing lighting away from residents.
