

# Changed traffic conditions on the Castlereagh Highway from Wednesday 11 September

September 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential culvert work on the Castlereagh Highway between Cudgegong and Ben Bullen.

## What work are we doing?

We are carrying out essential culvert maintenance work at five locations along the Castlereagh Highway between Cudgegong and Ben Bullen.

We have included a map to show the location of the works.

## When and where we'll be working

We will be working on the Castlereagh Highway from **Wednesday 11 September** between the hours of **7.00am and 4.00pm** near the following locations:

- Ilford – 11 September
- Capertee – 12 September
- Ben Bullen – 13 and 20 September
- Cudgegong – 23-25 September

We expect the work will **take two weeks to complete**, weather permitting.

We will let you know in advance if we need to do any work outside of these hours.

## What will this mean for you?

You may notice:

- noise from machinery and equipment
- traffic control and signage in place.

## Traffic Changes

There will be some temporary traffic changes to ensure the work zone is safe.

The road will remain open with single lane closures and a 40 km/h speed limit in place which may affect travel times.

Motorists should allow up to five minutes extra travel time.

Please keep to speed limits and follow the directions of traffic controllers and signs.

## Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- reducing our noise as much as possible
- turning off machinery and vehicles when not in use
- maintaining property accesses at all times.

## Location of work area

We understand that this work will generate some inconvenience and we thank you for your patience.
