

# Erskineville Station Upgrade

## kiss and ride zone - Have Your Say

### Transport Access Program

June 2024

Transport for NSW acknowledges the Gadigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

**The Erskineville Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a station that is accessible to people with a disability, limited mobility, parents/carers with prams and customers with luggage.**

### Proposed changes

As part of the Erskineville Station upgrade, Transport for NSW is proposing to install a new Kiss and Ride zone along Swanson Street, next to the station, to provide a safe place for motorists to pull up when dropping passengers to the station.

To accommodate the proposed new kiss and ride zone we will need to remove around 7 metres of the existing half hour parking on Swanson Street just before George Street.

### Bicycle rack upgrde

We will also be upgrading the existing bicycle racks at Erskineville Station, Swanson Street entrance to provide new hoops.

This will provide a reliable and secure place for bike riders to park their bicycles and support multimodal journeys by integrating active and public transport.

### Have your say

We are inviting the community to share their feedback on the proposed Kiss and Ride zone plans by **Friday 28 June 2024**.

You can provide feedback by:

- Online via our project page, by scanning the **QR code**

Email [cbd-and-east@transport.nsw.gov.au](mailto:cbd-and-east@transport.nsw.gov.au)

- Call us on **1800 491 566**

### What will happen next?

We will consider all feedback and continue to keep the community up to date.

## Map of proposed changes (not to scale)
