

# Essential pavement maintenance on the Newell Highway in Forbes from 19 July

July 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

## Transport for NSW is carrying out essential maintenance work on the Newell Highway in Forbes.

### What work are we doing?

The work will include water blasting the road to provide an improved surface texture.

We will be working along the Newell Highway in Forbes between the Corriedale Street intersection and the northern Landacre Road intersection.

We have included a map to show the location of our work area.

### When we'll be working

We will be working **Monday to Saturday** between **6am** and **6pm**, from **Friday 19 July**.

We expect to complete the work in **three shifts**, by **22 July**. All work activities and dates are subject to weather and site conditions.

### What will this mean for you?

There will be some temporary traffic changes to ensure the work zone is safe.

**Single lane closures** and a **40km/h speed limit** will be in place on the Newell Highway at the

work location during work hours which may affect travel times.

The speed limit will return to the posted speed limit outside of work hours.

Motorists should allow up to **five minutes** extra travel time during work hours.

Please keep to the speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can download the Live Traffic NSW app, visit [livetraffic.com](https://www.livetraffic.com) or call 132 701.

### Managing our impacts

We aim to manage our work to minimise impacts to the community and the environment.

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise where possible.

We understand that the work will generate some inconvenience and we thank you for your patience.
