

Geotechnical Investigations at Pitt Town from 17 June 2024

Work Notification

June 2024

Transport for NSW acknowledges the Dharug People as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW will be carrying out Geotechnical Investigations at Pitt Town as part of the Pitt Town Bypass Project.

What work are we doing?

We will be carrying out Geotechnical investigation work to classify ground conditions which will help inform the project design.

Work includes:

- Setting up a truck mounted drill rig
- Drilling bore holes
- Soil testing
- Cleaning up the area once work is complete

When and where we'll be working

The work will take place on Transport for NSW land at the corner of Glebe Road and Bathurst Street/Pitt Town Road, Pitt Town. The work period will be between **Monday 17th June** and **Wednesday 19th June 2024**, weather permitting.

Our work will be carried out during the day and our working hours will be between **8am to 5pm**.

What will this mean for you?

While we complete this work, you may notice:

- Truck mounted drill rig
- Water truck
- Flatbed trucks
- Light vehicles

Managing our impacts

This work may generate some noise, however, we are completing this work during the day rather than at night to minimise the impact to surrounding properties. We will turn off machinery and vehicles when not in use.

Traffic impacts

There will be no traffic impacts while we complete this work as all work will take place in private property.
