

# Nightwork on the Great Western Highway at Kirkconnell from 11 March

## Kirkconnell Rehabilitation and McManus Road Safety Works

March 2024

Australian Government

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Australian and NSW Governments are jointly funding safety upgrades on the Great Western Highway at Kirkconnell to deliver faster, safer journeys for motorists.

Transport for NSW is continuing important safety work on the Great Western Highway at Kirkconnell approximately 20 kilometres east of Bathurst.

### What work are we doing?

We will be carrying out asphaltting to provide a smoother and improved road surface.

### When and where we'll be working

To minimise the impact on motorists, the work will be carried out at night between **6pm** and **5am** from **Sunday to Friday**, and we expect this to take **six weeks** to complete, weather permitting.

**No work will take place over the Easter long weekend.**

We have included a map to show the locations of the work.

### What will this mean for you?

You may notice:

- Noise from machinery and equipment

- Traffic controllers and signage

### Managing our Impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Reducing our noise and lighting as much as possible by completing noisier activities before midnight
- Directing lighting away from residences where possible
- Turning off machinery and vehicles when not in use
- Maintaining access for residents

### Traffic Impacts

To ensure the safety of motorists and workers, traffic control will be in place including a reduced speed limit to 40 km/h, single lane closures and intermittent stopping.

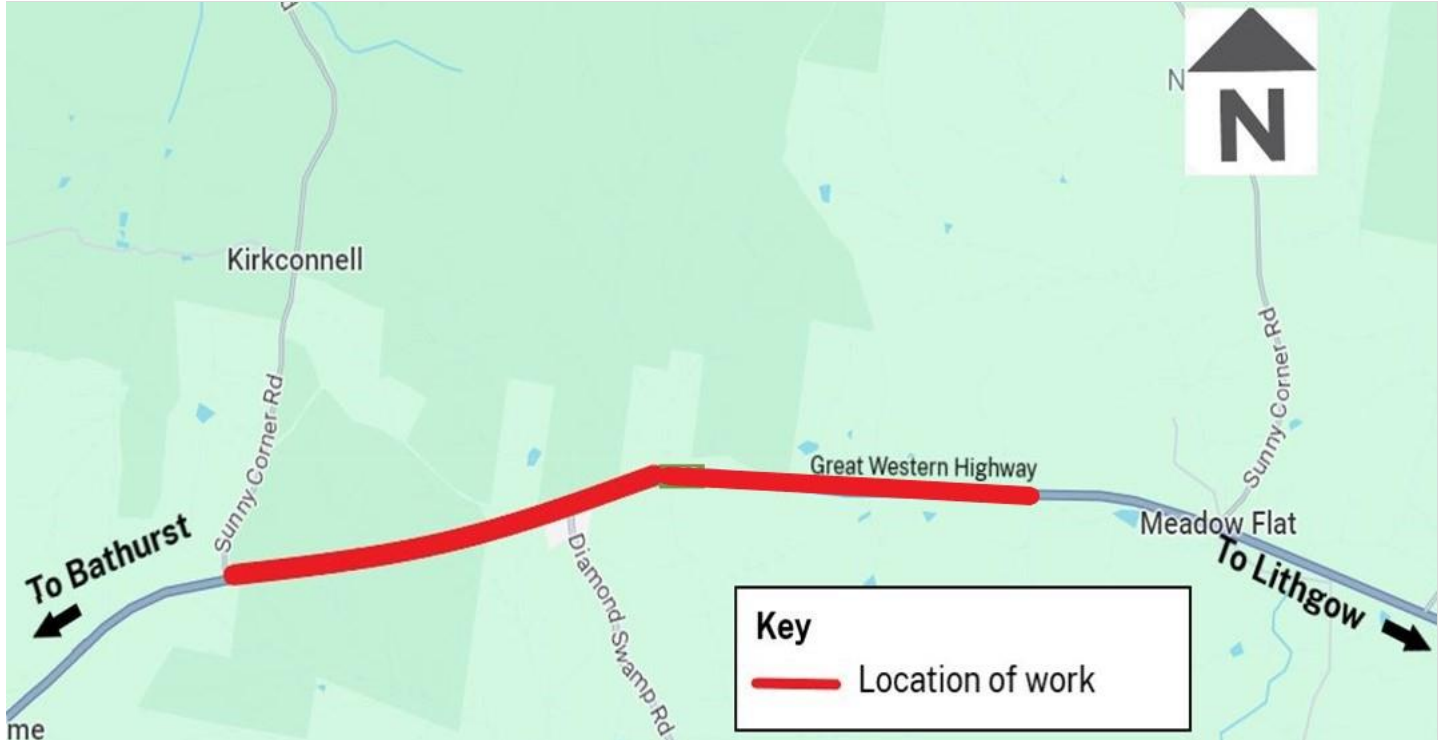

Road users are advised to follow the directions of signs and traffic control and slow down on approach.

For the latest traffic updates, call 132 701, or visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

We understand that this work will generate some inconvenience and we thank you for your patience.
