

Night work on Hillsborough Road, Hillsborough, from Monday 26 August

Hillsborough Road upgrade

August 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is planning to upgrade Hillsborough Road, from the existing duplication to 400m East of Crockett Street. Around 35,000 motorists use Hillsborough Road daily and this upgrade would improve traffic flow, safety and accessibility for all road users.

What work are we doing?

Transport for NSW will carry out the work, which includes potholing and geotechnical and utility investigation to help with preparation for the Hillsborough Road upgrade.

When and where we'll be working

We'll be working along Hillsborough Road, between the Home Maker Centre, Warners Bay and Baker Avenue, Hillsborough from **Monday 26 August** for up to **four nights**, weather permitting.

Night work will be required between **7pm to 5am, Monday to Thursday**.

What will this mean for you?

You may notice:

- Workers and vehicles
- Traffic controllers and signage
- Changed traffic conditions including a speed zone reduction to 40km/h in both directions
- Intermittent stoppages
- Noise and light from machinery and equipment.

Work will be carried out in stages to minimise overall disruption to the community.

Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

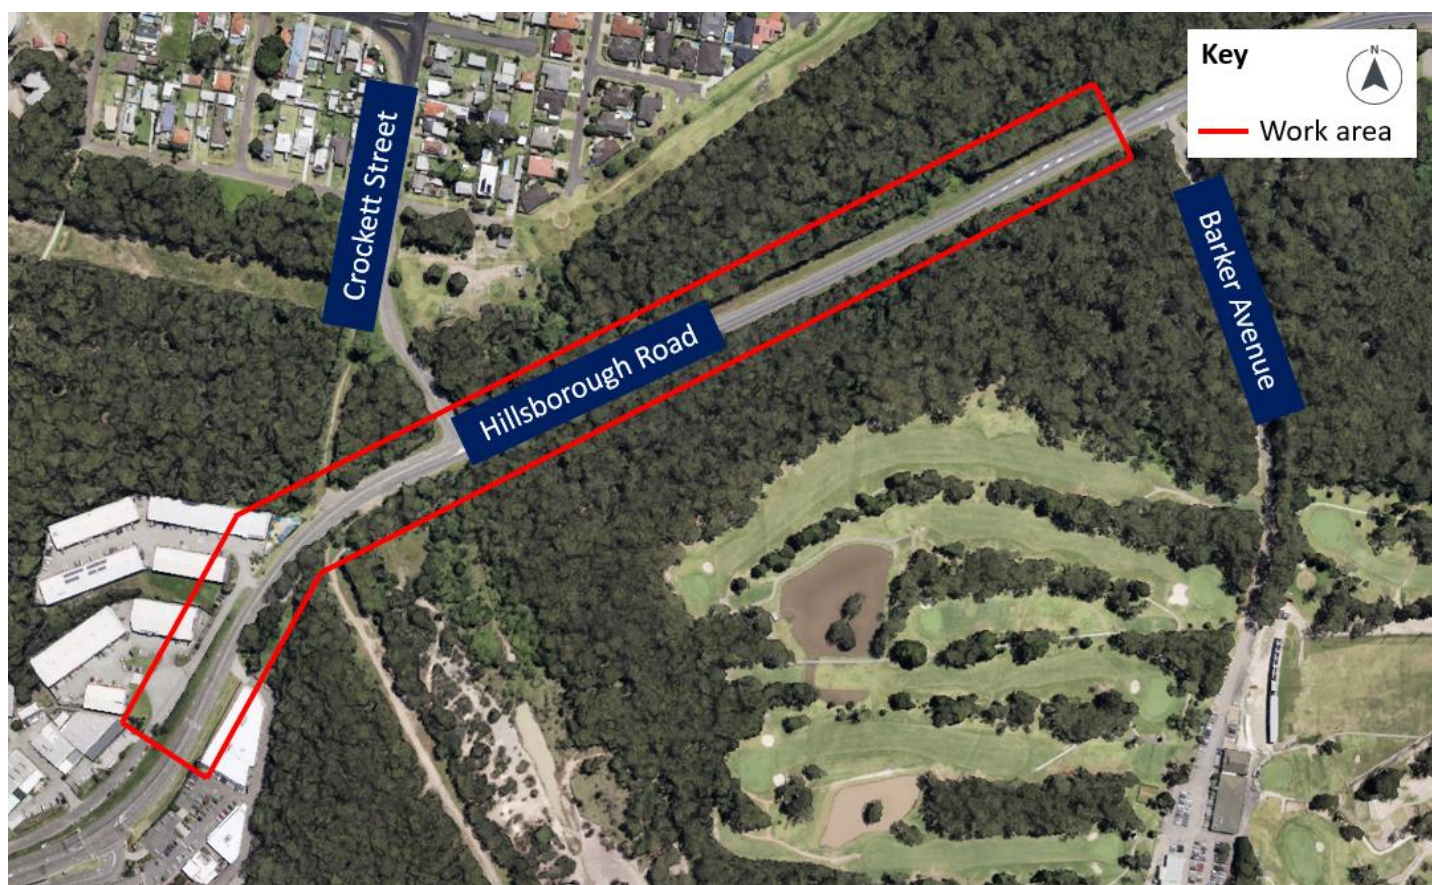

- Reducing our noise as much as possible and carrying out the noisiest activities by 11pm
- Targeted lighting to minimise light spill
- Turning off vehicles when not in use

We will ensure all locations are restored when our investigations are finished.

Thank you for your patience during this important work.
