

Hurstville Crossover Project

June 2024

Transport for NSW acknowledges the Bidjigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

We have upgraded the rail infrastructure near Hurstville Station to allow trains to cross over from one track to another.

When and where we'll be working

We have one more weekend of work at Hurstville before project completion.

Between **6am Friday 21 June and 2pm Monday 24 June 2024**, we will be completing final electrical upgrades and removing redundant infrastructure inside the rail corridor.

We will use existing compounds on Forest Road and Woniora Road for deliveries, storage of materials and equipment, worker briefs and parking. Please see the map on the back page for visual reference.

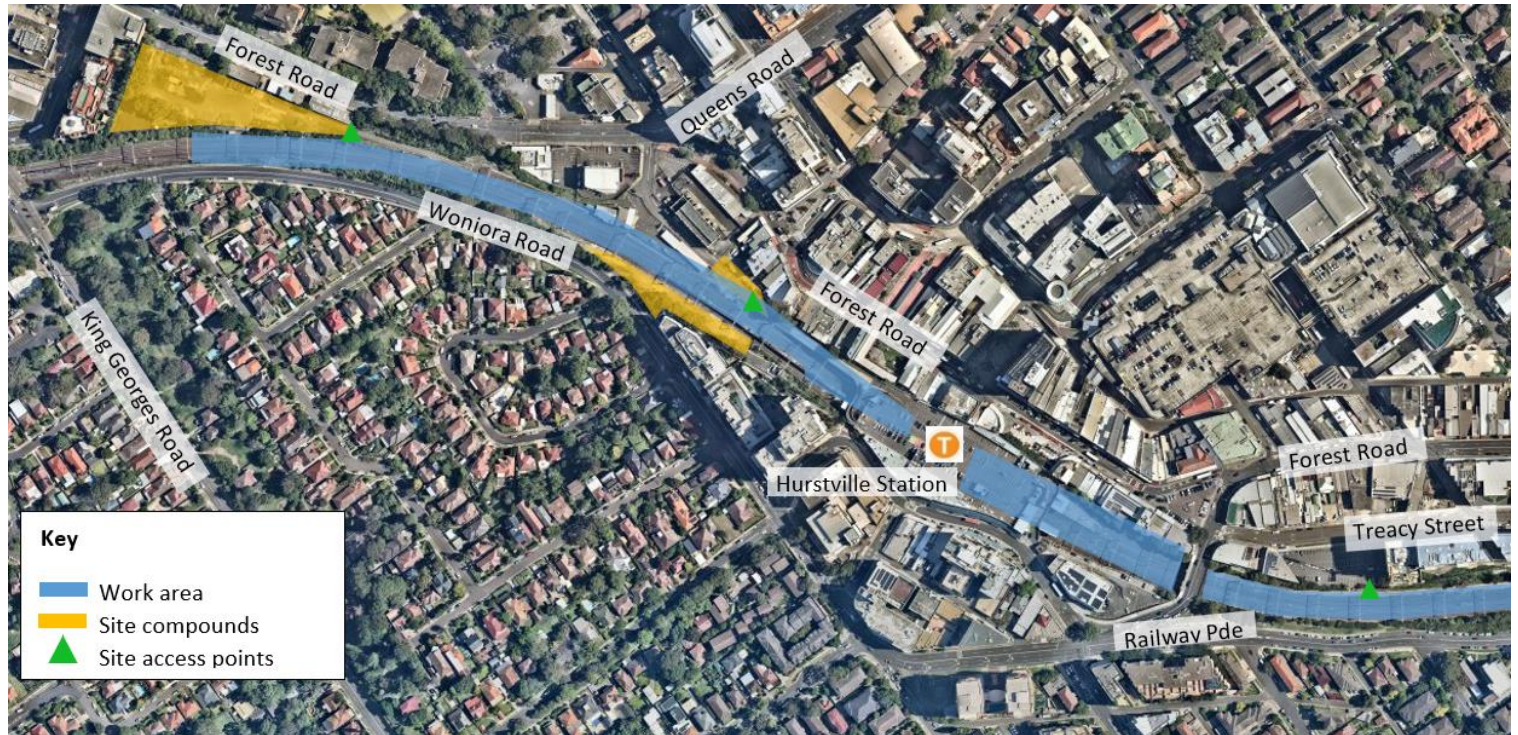

Contact us

For more information, please call the Project Infoline on **1800 684 490**, the 24-hour Construction Response Line on **1800 775 465** or email **projects@transport.nsw.gov.au**
