Streets as Shared Spaces

Round one

Up to $15 million in funding was made available through round one with the program delivered between 2020 and 2022.

Category 1 Projects

Council	Project Name	Project Location	Project Description	Status
Greater Sydney				
City of Canada Bay	New 'Heart' of Drummoyne Town Centre public square and one-way street trial	Formosa Street and Church Street, Drummoyne	This project created new public squares at the heart of Drummoyne – one at Formosa Street between Lyons Road and Bowman Street, and the other at Church Street between Victoria Road and Formosa Street. The closures of these areas were accompanied by new seating, landscaping and artistic elements, creating safer places for pedestrians and cyclists and, at Church Street Square, a space for cafes to offer outdoor dining to their customers.	Completed 2021
City of Parramatta	Phillip Lane Activation	Phillip Lane, Parramatta	As extensive investment and change within the Parramatta CBD occurs at every level, this project created a new local hub. Over 8 weekends the space became an outdoor dining precinct for adjacent restaurants, becoming an active, people orientated and well connected link. Elements like new art, lighting and greenery were installed within Philip Lane.	Completed 2021
Cumberland City Council	Wentworthville Local Centre Dunmore Street Pop-Up Park	Dunmore Street, Wentworthville	Part of Dunmore Street in Wentworthville was turned over to an attractive green space that helped to connect people and support local businesses. It was also a way to test surface materials to understand which would be most likely to reduce heat build up in the urban environment. Materials included timber decking, natural turf and shade, artificial shade structures and synthetic turf as well as a misting machine.	Completed 2021
Fairfield City Council	Healthy, Active Fairfield – Pop-up Park and Activation Program	Fairfield City Town Centre and Cabramatta Town Centre	Under a theme of Healthy, Active Fairfield, two temporary pop-up parklets were installed alongside additional trees, planter boxes, turf, synthetic grass and seating. This project brought activity to both Fairfield and Cabramatta town centres, including children's yoga classes, live DJs, public art and decorative lighting. This created new and unexpected opportunities for residents to stop, relax, rest, socialise and linger.	Completed 2020
Georges River Council	Walkability and wellness in Kogarah	Hurstville Town Centre	Through the Walkability and Wellness project in Kogarah, a pop-up park created an urban oasis with colourful street furniture, a water feature with creative LED strip lighting, fairy lights within the street trees along Belgrave Street and a large mural on Post Office Lane.	Completed 2021

Council	Project Name	Project Location	Project Description	Status
Greater Sydney				
Hornsby Shire Council	Reclaim Hunter Lane	Hunter Lane, Hornsby	The 'Reclaim Hunter Lane' project is about 'reclaiming' a place for people. Pedestrians were prioritised through an extended shared zone that featured a colourful laneway design on the road surface, to add vibrancy and highlight that this is an area where pedestrians have priority. Additional lighting was also provided to improve the night time experience.	Completed 2021
North Sydney Council	Burlington Street Play	Burlington Street, Crows Nest	Burlington Street Play aimed to open up the streets for play and fun. The one-day closure of Burlington in North Sydney created a healthy day for kids with a maze, skate ramps, live music, arts and craft, street cricket and a designated kids play area.	Completed 2020
Northern Beaches Council	Beaches Eat. Play.Stay	The Strand, Dee Why Robertson Road, Newport Waratah Street, Mona Vale Tania Park, Balgowlah Heights	Across the Northern Beaches – at Dee Why, Newport, Mona Vale and Balgowlah Heights – streets were reallocated one weekend a month to become better places for pedestrians and cyclists, while also turning the space over to local artists and musicians.	Completed 2022
Randwick City Council	Coogee Bay Village Shared Space	Coogee Bay Road, Coogee	The temporary street closure of Coogee Bay Road transformed the space into an extended public space for pedestrians. People were able to stay a little longer with street furniture, planter boxes, a play area, new lighting, art installations, a stage and new outdoor dining seating areas to support local restaurants.	Completed 2021
Regional NSW				
Armidale Regional Council	Armidale Mall and Laneways Beautification	Armidale Mall, Armidale	Council engaged several local artists to develop murals under a program that brought colour and wonder to the heart of Armidale. People enjoyed new lighting installations and other pop-up activities in Perrot Arcade and another small laneway that feeds off the main Armidale Mall.	Completed 2021
Broken Hill City Council	Play and Stay Arboretum	Argent Street, Broken Hill	The Stay and Play Arboretum provided a restful, calm space in a part of a busy car park in Broken Hill's CBD. By putting people first, and creating a place for people of all ages and abilities, the project invited people to dwell in the space through providing places to sit, additional greenery, installation of public art and increased shade.	Completed 2020
City of Newcastle	Queens Wharf Cycleway Detour and Activation	Queens Wharf, Newcastle	Queens Wharf Cycleway Detour and Activation helped to encourage cycling while also creating great places for people. At Queens Wharf, a new three metre shared path was created by reallocating street space. A 30 km/hr speed limit was trialled, and the installation of a pop-up library and temporary art, brought activity to the space.	Completed 2021
Eurobodalla Shire Council	Youth Central – Batemans Bay	Clyde Street Foreshore, Batemans Bay	Youth Central activated an underutilised section of the Clyde Street waterfront in Batemans Bay for young people to enjoy by creating a temporary basketball half court and a skating circuit across 18 car parking spaces.	Completed 2021

Council	Project Name	Project Location	Project Description	Status
Regional NSW				
Federation Council	Sanger Street Plaza	The Memorial Plaza, Corowa	The Memorial Plaza was created at Sanger Street, Corowa. This open and inclusive space for the community included rendered walls decorated with an interactive mural by artist, Kade Sarte, inspired by the Murray River. The project also included seating throughout the space, festoon lighting, security lighting, an electronic community notice board, new signage and additional artwork.	Completed 2021
Gilgandra Shire Council	Meet Me @ Miller Street	Miller Lane, Gilgandra	The Meet Me @ Miller Lane project connects and brings activity to the Gilgandra CBD, by making the most out of the unused space behind the shops along the main street. This was a blank canvas to create a new shared zone, with the laneways allowing for new greenery and creativity to spill onto the main street. Other measures to slow down the traffic supported these new community spaces for people.	Completed 2021
Gunnedah Shire Council	Gunnedah Cultural Precinct Pop-Up Public Domain	Gunnedah Town Centre	Gunnedah CBD was brought to life in an effort to support local businesses, workers and visitors. This temporary project focused on the town's cultural precinct included new seating, attractive planter boxes and temporary night lighting, created new business opportunities for local retailers, residents and visitors. In addition, 18 temporary market stalls were made available for community events.	Completed 2020
Lismore City Council	Spaced Out – A CBD Pedestrian Comfort and Safety Improvement Project	Keen Street, Lismore Molesworth Street, Kew	Keen and Molesworth streets in Lismore CBD were adapted to include two parklets as part of a social distancing awareness campaign in Lismore and Nimbin. These two spaces helped to create a connection between Lismore's green spaces. These spaces were also chosen to not limit important safety and practical aspects, such as essential services and deliveries.	Completed 2021
Maitland City Council	Morph It	Swan Street to Queens Wharf Park, Morpeth	Morph It at Morpeth built on the township's unique heritage and history. The project installed two parklets, two creative road surface treatments, overhead creative installations, a temporary pedestrian and cycle path connecting Swan Street to Queens Wharf Park and a parking pilot. Activities such as fresh produce stalls, live music, antique valuations, poetry evenings and kids activities also occurred over six weeks.	Completed 2020
Port Stephens Council	Nelson Bay to Little Beach Shared Path	Victoria Parade, Nelson Bay	Nelson Bay to Little Beach Shared Path was created to trial separated pedestrian and cycle pavement along Victoria Parade between Nelson Bay and Little Beach, providing a safer route for people to move between these areas.	Completed 2020
Tweed Shire Council	Tweed's Green Parklet, Public Art and Activation Project	Brisbane Street and Queen Street, Murwillumbah	Council's Green Parklet, Public Art and Activation project was a tactical urban intervention to test changes to the road environment in Murwillumbah. Two temporary parklets and pop-up art seats and planter boxes were more than just a place for people to spend time – the seats and planter boxes became canvasses for public artwork.	Completed 2021

Council	Project Name	Project Location	Project Description	Status
Regional NSW				
Upper Hunter Shire Council	Kerbside Dining-Kelly St, Scone	Kelly Street, Scone	New outside dining spaces were created on Kelly Street, Scone. These enclosed platforms off the Kelly Street kerb included tables and chairs for outside dining to service 5 local cafes, selected based on submissions of interest. Local children from St Mary's, Scone Grammar School, Scone Public School and Scone High School painted murals on the concrete barriers that surrounded the platforms as a safety feature.	Completed 2021
Upper Lachlan Shire Council	Share R Streets	Goulburn Street and Roberts Street, Crookwell	Three areas across the Upper Lachlan Shire – Crookwell, Laggan and Taralga benefited from funding that turned streets over to cycling and activities. Places became more active with planter boxes, art installations, parklets and street furniture on Roberts and Goulburn streets in Crookwell.	Completed 2021
Wollongong City Council	Wollongong City Pop-Up Cycleways	Towradgi Town Centre and Thirroul Town Centre	Wollongong City Pop-Up Cycleways aimed to establish a series of on-road cycleways to make Wollongong a better place for cyclists. Two pop-up cycleways were accompanied by art and greening initiatives to connect rail stations and foreshore areas around Towradgi and Thirroul.	Completed 2022

Goulburn Mulwaree Council	Stimulating and Safe Shared Street Spaces	Auburn Street, Goulburn	Auburn Street in Goulburn was transformed into an innovative and creative community space, with the installation of a parklet, chill out trees, café corner, shady tree seating, lighting, a pedestrian crossing, planting, public art and street furniture. The project was driven by collaborative partnerships and created a safer public space in the city's main street.	Completed 2023
Griffith City Council	Activation of Memorial Gardens Carpark	Banna Avenue, Griffith	A section of the Memorial Gardens Car Park at the heart of Griffith was turned converted to an extension to the park for people and additional green space. This allowed Memorial Gardens to be extended as a place for a series of remarkable public events. It also created stronger connections between Railway Street and the main strip of Banna Avenue and attracted more people to spend time and money in the CBD.	Expected Completion 2023
Hilltops Council	"Enliven & Enlighten" Young	Boorowa Street, Young	Enliven & Enlighten in Young transformed crossings and underutilised space along Boorowa Street to create new activations along the three street blocks of Boorowa Street – between Clarke Street to Main Street, Main Street to Lynch Street and Lynch Street to Zouch Street. This brought life and colour to Young's town centre, supporting local businesses and creating new places for the community to gather and dwell.	Completed 2023
Kempsey Shire Council	Kempsey Laneway Revitalisation	Elringtons Lane, Kempsey	Two key laneways in Kempsey CBD - Elringtons Lane and Savages Lane – became welcoming new spaces for this north coast community. This reimagining not only boosted how the area looked and felt, it fostered a shared sense of community and increased safety. Treatments included revamped pavement surfaces, public art, lighting and CCTV to increase comfort, safety, accessibility and connectivity for pedestrians.	Completed 2023
Lake Macquarie City Council	Veronica Place, Cardiff	Main Road, Cardiff	Veronica Street in Cardiff, just south west of Newcastle CBD, became a new public space called Veronica Place. This required new thinking about the use of car parks and pedestrian areas. The project used art, trees, planter boxes and a variety of street options such as an informal stage to bring the area to life. Veronica Place hosted three events for the public over a four-month period.	Expected Completion 2023
Lismore City Council	Nimbin Wayfinding Project	Cullen Street, Nimbin	The Nimbin Wayfinding Project focused on Nimbin's main street, Cullen Street. Locals and visitors benefited from enhanced road and footpath networks – particularly the installation of the pedestrian crossing at 54 Cullen Street – and also enjoyed additional seating and shaded areas. This makes it easier for people to move around the area while improving safety and accessibility.	Expected Completion 2024
Lithgow City Council	Made in Lithgow	Cook Street, Lithgow	Cook Street Plaza in Lithgow became a vibrant place for people to come together for Made in Lithgow. Whether for formal or informal gatherings. Upgrades to paths, new overhead lighting and plenty of new greenery encouraged a more creative use of this central space.	Completed 2023

Maitland City Council	Maitlanes	High Street, Maitland	Seven laneways in Maitland were unlocked as public spaces as part of Maitlanes which made it easier for people to connect in and around the CBD, while also attracting footfall and expenditure both day and night. All works in the laneways differed, ranging from murals, overhead lighting and soundscapes to augmented reality experiences and outdoor dining.	Completed 2023
Orange City Council	Outdoor dining activation for Lords Place Orange	Lords Place, Orange	Lords Place in Orange became a new smart hub for the city, with new areas for people to enjoy meals from local restaurants and cafes, under the colour and excitement of festoon lights. People dined in mobile booths that could be located outside different businesses.	Completed 2023
Parkes Shire Council	Eat, Meet & Greet | Parkes Main Street	Clarinda Street, Parkes	Eat, Meet & Greet created a new public space along Clarinda Street in Parkes. People enjoyed outdoor dining and events, while finding it easier and safer to connect to more places on foot.	Completed 2023
Port Macquarie-Hastings Council	Laurieton Town Centre Master Plan Trial	Seymour Street, Laurieton	The Laurieton Town Centre Masterplan Trial transformed Laurieton's town centre through a 6-month program of activations and temporary changes. Parklets took over former parking spaces, helping to create a place for people to gather and to enjoy a series of local events.	Completed 2023
Port Stephens Council	William Street Urban Park Trial	William Street, Raymond Terrace	Raymond Terrace's main street, William Street, became the home of a new urban park, designed for people and made ready for small events. With the demolition of an unused building, the project introduced new seating, landscaping and a stage area, while also improving the way people could move from the commercial core to the new space.	Expected Completion 2023
Richmond Valley Council	The Greens on Barker	Barker Street, Casino	The vacant block near the centre of Casino was transformed into The Greens on Barker – a new public park on Barker Street. The project featured shade structures, accessible pathways, sandstone blocks for seating, picnic tables, noughts and crosses play equipment, and landscaping, as well as pavement stencilling and artwork. The area hosted pop-up markets and performances, benefiting local artists and growers.	Completed 2023
Tamworth Regional Council	Fitzroy Place Light Activation	Fitzroy Street, Tamworth	Fitzroy Street Place, adjacent to Peel Street at the heart of Tamworth CBD, was reimagined as a night-time venue, brought to life with both light and technology. As a new evening destination, Fitzroy Place was abuzz with illuminations and projections, encouraging people to see the public space in a new way.	Completed 2023
Tenterfield Shire Council	Linking People and Place	Manners Street, Tenterfield	Jubilee Park is a treasured community asset on the Tenterfield Creek. The Linking People and Place project created a new crossing point to the park for pedestrians and cyclists, and added a pop-up container café, solar lighting and public Wi-Fi. This diversified the way people could use the park and better linked the park with the Youth Precinct.	Completed 2023

Blacktown City Council	The Heart of Blacktown	Patrick Street, Blacktown	Blacktown city centre is undergoing rapid change, with a growing population and major projects that mark a new era for living, education and employment. Located in this richly diverse city centre, this project saw council co-design a Place Identity report and Place Framework with the community and other stakeholders. Several pop-up activations in the city centre tested the findings from the Place Identity in mid-2022.	Completed 2022
Burwood Council	A vibrant new linear plaza connecting people to the library and community hub	Unity Place, Burwood	The project included temporary and semi-permanent changes to support the creation of a new linear plaza connecting Burwood's upgraded library, community hub and council chambers to the town centre. The project included three large murals, landscaping, seating, smart poles, banners and decorative lighting. The new lane was celebrated with a Community Day, an outdoor library pop-up, community group dancers and musicians, temporary sculptures, and a vibrant night market.	Completed 2021
City of Sydney	Trial to help transform a street into one of the world's great boulevards	George Street, Sydney	This demonstration project took place along the southern section of George Street. In 2020, City of Sydney temporarily tested the closure of the street to vehicles. It did this through installing vehicle barricades, new seating, a vibrant road painting installation and engagement with local business and community. In 2021, informed by the success of the trial, council began the permanent pedestrianisation of this section of the street which was completed mid-2022 as a part of the program.	Completed 2022
Liverpool City Council	Transforming a service vehicle laneway into a place for people	Railway Serviceway, Liverpool	The project transformed a laneway with vibrant art created through community engagement that expresses the area's cultural diversity. Rainbow street print, planter boxes with trees and flowers, seating and colourful umbrellas for shade transformed the street into a place for the community to enjoy.	Completed 2022
Penrith City Council	Activating the community's vision for Kingswood	Orth Street, Kingswood	The project aimed to improve the area's safety and walkability by upgrading places where the community can interact and gather. Local women participated in a night walk where they shared their experiences and co-designed ways to improve safety. The project included playful wayfinding, creative lighting, new seating, tree planters embellished by a local artist, garden planters painted by the community, a handball court and a badminton net. It culminated in a free activation program which offered art workshops, community gardening sessions, urban nature tours, picnics, movie nights and night walks with women. The temporary trial has now informed permanent changes to the public space.	Completed 2021

Cumberland City Council	Enhancing active transport connections between two vibrant local centres and railway stations	Church Street, Lidcombe	This project improved the walking and cycling connection between two vibrant local centres and railway stations at Auburn and Lidcombe, with 170 metres of footpath extension and colourful interventions, enhancing the amenity in the area. Complementing the new footpath, a footpath mural, street furniture, wayfinding signage, planter boxes and a bike repair station with a drinking fountain were installed at Wyatt Park in Lidcombe. These enhancements were celebrated with a bustling community event, featuring a free open-air cinema, sports games, local community stalls and free food stalls. A parklet with a lighting and greening canopy was also trialled in front of the Auburn Youth Centre.	Completed 2023
City of Parramatta	Spotlighting local First Nations culture and creating a vibrant laneway in Parramatta CBD	Phillip Street, Parramatta	The aim of this project is to improve the sense of place, community, connectivity and pedestrian safety at the Eastern end of Phillip Street through a combination of place naming, artwork and activation. Drawing on local Baramadagal and Dharug culture, knowledge and history, the project seeks to deliver new First Nation-themed public art in a laneway connecting Phillip St to the Parramatta River. The project will also involve naming the currently anonymous laneway and will look to deliver street furniture on the northern end near the river. A community event will punctuate the completion of the project.	Expected Completion 2024
Regional NSW				
Tweed Shire Council	Vibrant activations and improved amenity in Jack Evans Boat Harbour	Coral Street, Tweed Heads	This demonstration project tested temporary place activations at Jack Evans Boat Harbour, attracting people to the parkland both day and night. During the day, a mobile coffee kiosk allowed the community to stop and sip while relaxing in pre-loved furniture from Council's own tip shop. Umbrella shading, tables and seating created welcoming and comfortable spaces for the community to connect. By night, Council hosted two extremely popular outdoor cinema events with hundreds of attendees in February 2023 and April 2023, supported and complemented by the local Twilight Markets.	Completed 2023

City of Canada Bay	Heart of Drummoyne	Church Street, Drummoyne	Heart of Drummoyne created new public spaces around Church Street, which comes off Victoria Road. Formosa Street was closed, creating opportunities to provide places to sit, new tree planting, public art, areas for kids to play and an outdoor dining area.	Completed 2023
City of Canterbury Bankstown	Lakemba Ramadan Lights	Haldon Street, Lakemba	Lakemba's Haldon Street became the heart of the community's Ramadan celebrations. Funding went towards wider footpaths, plenty of places to sit, additional landscaping and public art. People came together in an attractive, revitalised space with family and friends to celebrate Ramadan and feel a part of community life.	Completed 2023
City of Parramatta	Phillip Street Smart Street	Philip Street, Parramatta	Phillip Street has become Parramatta's new smart street – a place powered by contemporary technology. Elements include condition-responsive lighting, street furniture with built-in USB ports, smart irrigation, environmental monitoring, surveillance, public artwork and lighting. Sensors keep track of elements ranging from bins to parking areas, and much of the power comes from kinetic pavers that create energy.	Completed 2023
Fairfield City Council	Kenyon Street Public Domain Improvement Project	Kenyon Street, Fairfield	Fairfield City Council worked with private and public stakeholders on an aspirational vision to transform Kenyon Street as a living centre – a place focused on people feeling included in both formal and casual settings. Funding went towards wider footpaths, green public spaces and mechanisms to reinforce the 40 km/hr pedestrianised zone. Council helped to encourage people to stay longer, boosting local businesses and creating a sense of buzz.	Completed 2023
Hornsby Shire Council	Coronation StrEat!	Coronation Street, Hornsby	Coronation StrEat! transformed a car park that was once home to a commercial building constructed in the late 1800s. Funding re-purposed the area to create a new space for people, both bringing heritage infrastructure to life while providing a space for celebration, outdoor dining, farmers markets, live music and other activities.	Completed 2023
Inner West Council	Wardell Road (Dulwich Hill) Public Domain Improvements	Wardell Road, Dulwich Hill	The undergrounding of overhead powerlines on Wardell Road in Dulwich Hill opened the street up for transformation. New footpaths, landscaping, street furniture, street lighting and public art encouraged more people to come to the areas in the evening – extending opportunities for local businesses while also creating a new night-time hub. The works also made Wardell Street easier to access for people of all abilities.	Expected Completion 2023

Penrith City Council	Renewing the Heart of Kingswood	Bringelly Road, Kingswood	Kingswood is just east of Penrith City Centre and has a village vibe. This renewal project focused on Kingswood's local feel, with interventions such as footpath improvements, greening, street furniture, better signage and creative elements to improve how people could connect safely, while also benefiting local businesses and creative endeavours.	Completed 2023
Randwick City Council	Maroubra Junction Central Oasis	Anzac Parade, Maroubra	An underutilised green space in the central median strip of Maroubra Junction, on Anzac Parade between Maroubra Road and Green Street, became an urban oasis through additional landscaping improvements, lighting and seating. This created a new place for people to spend time – and a place for seasonal events. The project also brought together two halves of a divided town centre.	Completed 2023
Regional NSW				
Ballina Shire Council	Lennox Village Vision: Ballina Street - Where We Connect	Byron Street, Lennox Head	Various streets in Lennox Head's commercial centre were brought to life, following investments to slow traffic, wider footpaths and additional street lighting and new seating. The project created places for people to pause and connect within a village atmosphere.	Completed 2023
Gilgandra Shire Council	The Mill on Miller Street	Miller Street, Gilgandra	Miller Street in Gilgandra was revitalised to link the heart of the Central West with the natural beauty of the Castlereagh River. Landscaping, a new stage area for events and activations, and new lighting and public art. Through providing easier access, this encouraged more people to stay and spend time within the space and to enjoy the existing Windmill Walk.	Expected Completion 2023
Griffith City Council	Kooyoo Street Plaza Development	Kooyoo Street, Griffith	Kooyoo Street in Griffith CBD was transformed into a place for people, creating a new pedestrian plaza between Banna Avenue and Yambil Street. The new pedestrian plaza can be temporarily closed for cultural and art events, markets and holiday celebrations; alongside this, traffic improvements, safer paths and new seating encouraged more people to come to the area. As a new community area, the plaza also benefits local shops and restaurants.	Completed 2022
Hay Shire Council	Witcombe Place Phase 2	Lachlan Street, Hay	Witcombe Place is on the western side of Lachlan Street in Hay CBD. It was an underutilised space that came to life with new paving, tree planting and new seating, creating a much needed community space. A new sculpture celebrated the unique heritage setting, Hay's renowned Shilling Ram – a grand champion Merino from Hay that was immortalised on Australia's one-shilling coin.	Completed 2023
Maitland City Council	High Street Revitalisation - Grant Street to Ken Tubman Drive	High Street, Maitland	High Street is at the heart of Maitland's civic and cultural precinct, which includes Maitland Regional Art Gallery and Town Hall. The area between Grant Street and Ken Tubman Drive was underused. Funding unlocked the public space to create a new shared zone with seating, improved footpaths and street treatments, a parklet and a vertical garden.	Completed 2023

Moree Plains Shire Council	Cooling Moree's High Street	Balo Street, Moree	Balo Street is the main street of Moree in western NSW. Hot and dry summer days can make it an unpleasant place for shoppers; thus, in order to improve comfort and bring more life to the area, funding went towards the planting of more trees, shade structures, water misters and lighting. Other measures were also put in place to slow down car traffic to make Balo Street not just cooler, but safer for everyone.	Completed 2023
Parkes Shire Council	Making Trundle's wide street the high street of choice	Forbes Street, Trundle	Trundle is a small community in Parkes Shire, with Forbes Street as its main street. Funding aimed to revitalise the street as a safer and more comfortable place for pedestrians. New pedestrian refuges, tree planting and a new community area for informal gatherings or local events attract both people from around the community, and motorists who are passing through.	Completed 2023
Queanbeyan-Palerang Regional Council	Monaro Lanes	Monaro Street, Queanbeyan	The Monaro Lanes project is all about renewal at the heart of the Queanbeyan CBD. Two pedestrian laneways were brought to life with new public art and lighting, to create better pedestrian connections, a stronger sense of safety and new commercial opportunities. The project also included new seating and outdoor furniture, new signage, greenery and new paving.	Completed 2023
Shoalhaven City Council	Junction Court Revitalisation	Junction Street, Nowra	Junction Court in Nowra CBD came to life with colour and fun, with play sculptures, group seating, shelters and strips of overhead lighting. A colourful mural along the ground now designates the space for pedestrians, creating a pedestrian friendly, safe, engaging environment that encourages people to use the main street to stay longer and shop in surrounding businesses.	Completed 2023
Tweed Shire Council	The Murwillumbah High Street Beautification Project	Wollumbin Street, Murwillumbah	Wollumbin Street is Murwillumbah's main street. Funding helped to create a place that was safer and more comfortable for walking and lingering. It improved connections from the entry of the town to the main retail area, to Knox Park and the town's arts and heritage precinct. The project included new greenery, street furniture, public art, pedestrian blisters and landscaping elements.	Completed 2022
Wagga Wagga City Council	Beautification of Fitzmaurice Street	Fitzmaurice Street, Wagga Wagga	Fitzmaurice Street has been revived as Wagga Wagga CBD's focal point, with works that improved how people could connect to the Murrumbidgee and its popular waterfront trail, while also counteracting the dominance of nearby shopping centres. Beautification and activation of the high street included lighting, artwork, parklets, bike features and new signage.	Completed 2023
