

Detour in place for road closures on Jenolan Caves Road near Hampton

Jenolan Caves Road – Carlos Creek slope repair

August 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is working to repair significant damage on Jenolan Caves Road on the Carlos Creek slope near Hampton.

Lead contractor, McIlwain will be undertaking the essential remediation work.

What work are we doing?

Carrying out essential ground stabilisation work which requires the road to be closed.

When and where we'll be working

Due to weather impacts and a machine breakdown we are extending the full closure of Jenolan Caves Road at Hampton between Old Bindo Road and Duckmaloi Road.

Road closures will be between **7am** and **5pm** on the below dates, weather permitting:

- Monday 19 August
- Tuesday 20 August
- Wednesday 21 August
- Thursday 22 August
- Friday 23 August
- Monday 26 August
- Tuesday 27 August
- Wednesday 28 August

What will this mean for you?

A detour will be in place during this work.

We have included a map to show the alternate route.

The detour will be via Oberon, Bathurst and Lithgow using Duckmaloi Road, O'Connell Road and the Great Western Highway in both directions.

The detour will add approximately 1 hour and 40 minutes additional travel time.

For people travelling to Oberon from the Blue Mountains, this will add approximately 30 minutes travel time.

Traffic control and reduced speed limits will also be in place after work hours and may affect travel times.

Motorists should plan ahead and allow extra travel time during this work.

All road users are advised to follow the directions of signs and traffic control and slow down on approach.

For the latest traffic updates, call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Location of work area

We understand that this work may generate some inconvenience and we thank you for your patience. The community will be notified of future road closure dates as they are confirmed.
