

Upcoming weekend work

Friday 5 July to Monday 8 July

Friday 12 July to Monday 15 July

Friday 19 July to Monday 22 July

June 2024

Australian Government

Transport for NSW acknowledges the Wallumattagal people of the Dharug Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The Australian and NSW Governments are investing in Macquarie Park to improve public transport and the road network.

This will improve bus travel through the intersection, reduce congestion and improve travel times.

Upcoming weekend work

Transport for NSW will lay the asphalt layer eastbound along Waterloo Road between Harvest Street and Lane Cove Road, Macquarie Park.

To complete this work safely and to reduce effects on the community, this work will take place between:

- **8pm Friday 5 July and 5am Monday 8 July 2024**
- **8pm Friday 12 July and 5am Monday 15 July 2024**
- **8pm Friday 19 July and 5am Monday 22 July 2024.**

What will this mean for you?

During these weekend works, a few traffic changes will occur. This will include:

- Temporary road closure along eastbound lane of Waterloo Road from Khartoum Road to Lane Cove Road.

- Bus stops (ID 2113225 and ID2113226) will be closed between 9pm and 5am on Friday, Saturday, and Sunday nights.
- All bus stops along Waterloo Road will run as usual between 5am to 9pm, however you may experience minor delays.

More information about alternative bus stops can be found on the map on the following page.

We will maintain pedestrian access during this work.

There will be no change to accessing the Macquarie Park Shopping Centre.

What you can expect

Road resurfacing can be loud as we use equipment that grinds away the old road surface however, we will try to minimise this by:

- turning off vehicles and equipment when not needed and using quiet beeping sounds when backing up.
- using radios to talk between workers.

We'll have Traffic Controllers and signage to guide you through detour routes.

Remember to follow speed limits and directions from the Traffic Controllers or signs. Your travel might take a bit longer, so thanks for being patient while we get this important job done.

Location of work area and bus stop detours

Bus Stop ID	Status	Bus services
2113187 Waterloo Road Stand E	Open during weekend night work	Services 410, 545, 550 and 611 will be redirected to this stop
2113207 Lane Cove Road	Open during weekend night work	Service 197 will be redirected to this stop
