

Work continuing: Lane Cove Road and Waterloo Road Intersection

February 2024

Australian Government

Transport for NSW acknowledges the Wallumattagal people of the Dharug Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is continuing work to upgrade the intersection at Lane Cove and Waterloo Roads, Macquarie Park.

This will improve bus travel through the intersection, reduce congestion and improve travel times.

What's next on Waterloo Road?

Between March and June, work will include:

- temporary line-marking and installing safety barriers along Waterloo Road
- constructing the new pavement which involves digging out sections of the existing roadway, replacing it with a new foundation layer, then asphaltting the surface and installing new line marking on Waterloo Road
- upgrading kerb, guttering and median islands along Waterloo Road and at Waterloo Road and Lane Cove Road intersection
- relocating existing traffic signal posts at Waterloo Road and Lane Cove Road intersection.

Our work schedule

To continue the work safely and lessen traffic disruption, our crews will continue working between **8pm and 5am**, excluding Friday and Saturday nights, unless otherwise notified.

Some day work will occur between **7am and 6pm** Monday to Friday and **8am to 1pm** Saturdays. There will be no work on public holidays.

Deliveries and minor works will continue at our site office on the western end of Waterloo Road.

What have we achieved so far?

Since our last update, we have:

- relocated and connected the majority of the required utility services along Waterloo Road and Lane Cove Road
- started preparatory works which includes construction of temporary footpaths for new pavement construction on Waterloo Road
- constructed 500m² of temporary footpath along Waterloo Road
- constructed 120 metres of sub-soil drainage on Waterloo Road and Lane Cove Road
- removed 150 metres of existing median strip along Waterloo Road
- installed and commissioned seven new streetlights including the removal of existing streetlights at Waterloo Road and Lane Cove Road intersection
- relocated and connected three electrical connections at Waterloo Road and Lane Cove Road intersection.

Footpath preparation works along Waterloo Road

Managing our work

Our work can be noisy at times. We will do everything we can to lessen the disturbance on the local community and motorists in the area.

Traffic changes

Temporary footpath and lane closures will be in place, so the work zone is safe. Our work may affect travel times. Please keep to speed limits, follow signs, and traffic controllers' directions.
