Subject: Overarching Communications Strategy

Dear Mr Smit

I refer to your submission dated 3 May 2024, requesting the Planning Secretary's approval under Condition B3, of the Overarching Communication Strategy (rev 6, March 2024) (the Updated OCS) required by Conditions B1 & B2 of SSI-9364 Project Approval.

I note the Updated OCS:

- Clarifies the Project has two Environmental Representatives
- Reflects the OCS is currently being implemented and the project is under construction
- Incorporates AS17 and AF18 into Table 7-1 Ancillary facilities and their purposes
- Updates references to the 2016 Census with references to the 2021 Census
- has been reviewed by Transport for NSW and no issues have been raised with the Department;
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Overarching Communication Strategy (rev 6, March 2024) under Condition B3 of SSI-9364.

You are reminded that if there are any inconsistencies between the Updated OCS and the conditions of approval, the conditions prevail.

Please ensure you make the Updated OCS publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Amy Porter at amy.porter@planning.nsw.gov.au

Yours sincerely

Grant Brown
Team Leader
Infrastructure Management

As nominee of the Planning Secretary
