

Mortdale Maintenance Centre – Access Road Upgrade

Rail Service Improvement Program

July 2024

Transport for NSW acknowledges the Bidjigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Rail Service Improvement Program aims to support a safe, equitable, and integrated transport network where people can move safely, reliably, and efficiently across NSW.

What work are we doing?

Work at Mortdale over the coming months will involve access road widening, pavement upgrades, installation of a retaining wall and rail infrastructure improvements.

Work will be conducted predominately within the maintenance centre and adjoining car park.

In July 2024, we will be undertaking the following:

- cable service diversions and drainage installations
- removal of permanent fencing and set up of temporary fencing for construction
- ongoing establishment of a temporary site compound within the Oatley Seniors Citizen Centre car park and maintenance centre
- relocating an overhead wiring structure within the maintenance centre.

When and where we'll be working

Work will take place inside the maintenance centre and Oatley Seniors Citizen Centre car park, as shown in the map overleaf.

Standard construction hours are between **7am and 6pm Monday to Friday and 8am and 1pm on Saturdays.**

Out of hours work

In July, some work will be required to take place outside of standard construction hours between **6pm Friday 26 July and 7am Tuesday 30 July 2024.**

Why we work outside of standard construction hours

This work has been scheduled to take place inside power isolation periods, minimising disruptions to commuter services and improving the safety of our construction team and customers.

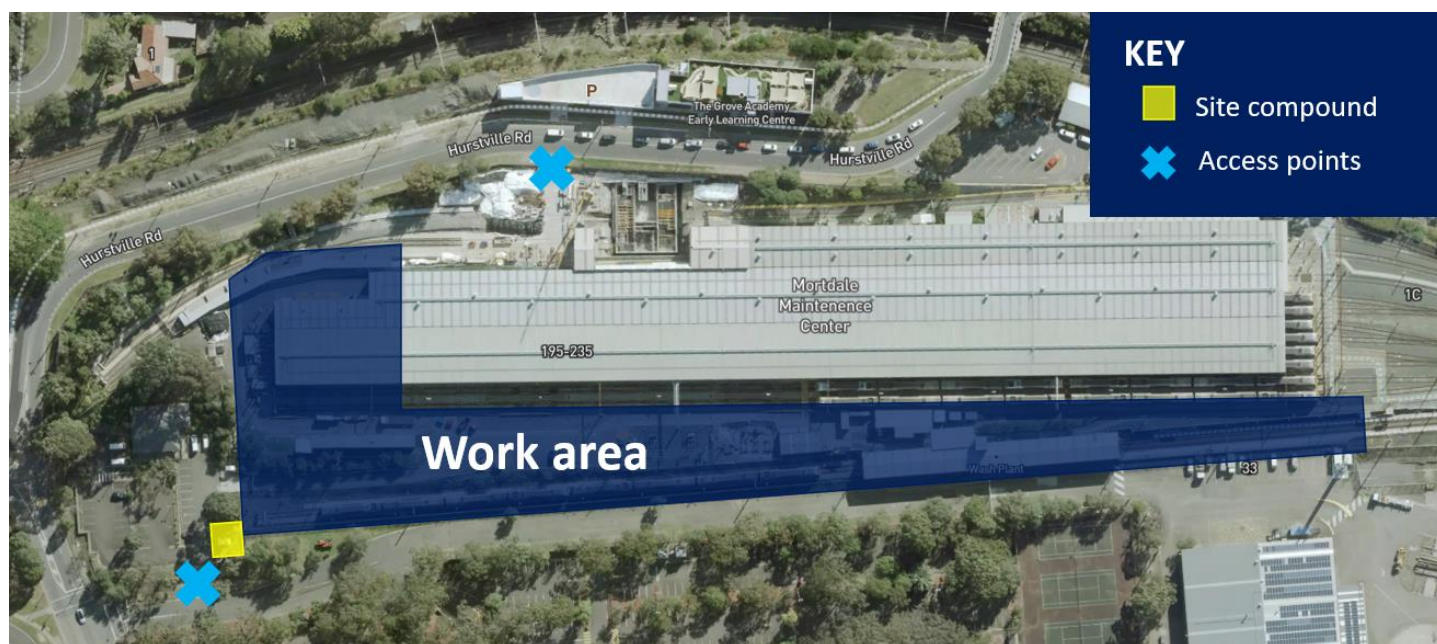

What will this mean for you?

You may notice:

- parking changes and traffic controllers
- deliveries of equipment and materials.

Location of work area

We are going paperless

We are committed to reducing our paper usage and environmental impacts. Soon we will no longer be distributing paper notifications to residents (unless requested). Instead, we will contact you via email when there is construction work that may impact you. To register for digital construction updates, please scan the QR code and fill out the form.

If you wish to continue to receive paper notifications, you can request this via the QR code or call us at **1800 684 490**.
