

Temporary parking changes on Railway Avenue, Strathfield

More Trains, More Services

March 2024

Transport for NSW acknowledges the Wangal people of the Dharug Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The More Trains, More Services program is simplifying and modernising the rail network.

We are writing to remind you that on-street parking on Railway Avenue will be temporarily reserved for construction vehicles and machinery from **12pm Friday 8 March to 6pm Sunday 10 March 2024.**

During this time, you may notice traffic controllers on Railway Avenue and Everton Lane as they safely guide construction vehicles and other road users through the area.

Driveway access to properties on Railway Avenue and Everton Lane will be maintained at all times.
