

Mascot Power Supply Upgrade

More Trains, More Services

March 2024

Transport for NSW acknowledges the Gweagal, Bidjigal and Gadigal Clans as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The More Trains, More Services program is simplifying and modernising the rail network.

From **10pm Friday 15 March to 7am Monday 18 March**, we will carry out work inside Mascot Station on the T8 Airport Line.

What work are we doing?

We will perform electrical work using hand tools to test and commission power infrastructure such as cables and switches.

When and where we'll be working

We will work inside Mascot Station and use the entrance on Bourke Street near John Street to load/unload material and equipment. We will also work at the Mascot Substation site at 166 O'Riordan Street and in the site compound at 200 O'Riordan Street, Mascot.

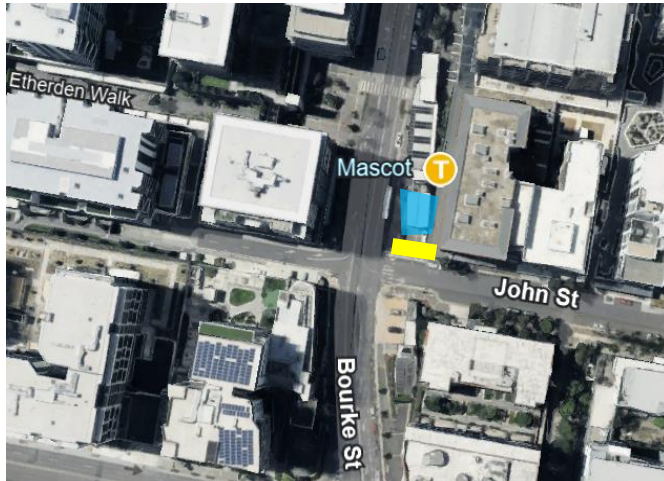

Standard construction hours are between **7am and 6pm Monday to Friday and 8am and 1pm on Saturdays**. Our work will take place outside of standard construction hours when no trains are
