

Work continuing at Medlow Bath from 1 June

Medlow Bath Upgrade
May 2024

Transport for NSW pays respect to the Darug and Gundungurra people as the Traditional Custodians of the lands on which we work and pays respects to Elders past and present.

The Medlow Bath Upgrade will reduce congestion and improve safety and accessibility for all road users, commuters, and pedestrians.

Transport for NSW is continuing work on the Great Western Highway from south of Bellevue Crescent to Station Street, and on Railway Parade Upgrade.

What work are we doing?

Construction activities will occur over the **next eight weeks** at the following locations.

Across the site:

- general earthworks, pavement and utility work.

Bellevue Crescent:

- constructing retaining walls and fencing
- installing drainage.

Great Western Highway:

- installing line marking, signage and street lighting
- installing drainage.

Railway Parade:

- temporary works including pedestrian diversions at the railway crossing
- constructing pedestrian footpaths, fencing and the kiss and ride area
- stormwater adjustment, utility work, verge earthworks, reinstating the road and landscaping.

Station Street:

- installing a sewer main in Station Street.

Pedestrian Bridge:

- constructing the bridge, stairs, lifts and station services.

When and where we'll be working

Work will continue from 1 June.

Day work hours are from **7am to 6pm, Monday to Friday** and **Saturday from 8am to 4pm**.

There will be some nightwork required for utilities and stormwater works and to carry out traffic switches on the Highway.

Nightwork hours will be between **6pm and 7am, Monday to Friday** for no more than two nights in a row, and no more than three nights in a week.

Affected residents will be notified about any upcoming nightwork dates.

Managing our impacts

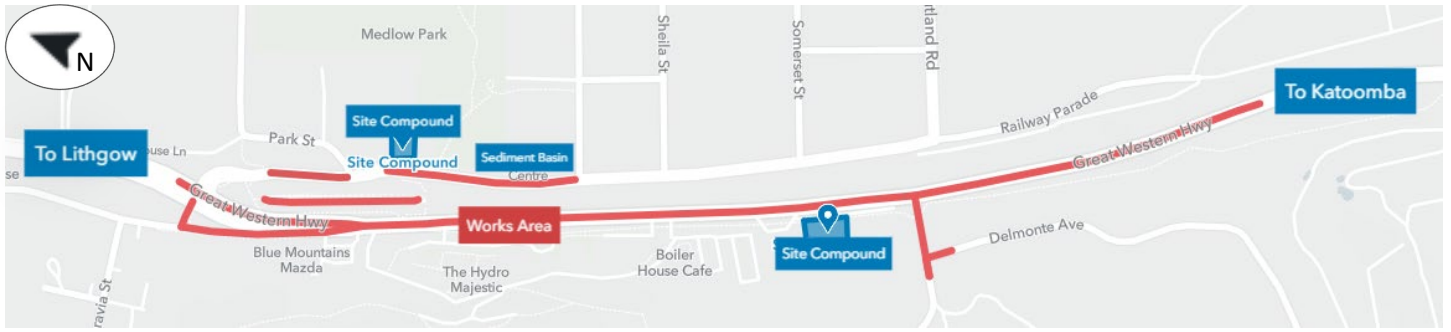

We aim to manage our work to avoid impacts to the community and the environment .

This includes:

- maintaining access to properties at all times
- maintaining pedestrian access
- turning off machinery and vehicles not in use and arranging work in stages to minimise impacts to nearby residents
- installing noise blankets around stationary equipment when possible
- speaking with directly affected residents.

Location of work area

Traffic Impacts

Traffic control will be in place including stop/slow operations and a reduced speed limit of 40km/h in some areas.

Road users and pedestrians are advised to follow the directions of signs and traffic control.

For traffic updates, call 132 701, download the Live Traffic NSW App or visit livetraffic.com.

We understand that this work may be inconvenient, and we thank you for your patience.

Coffee and a Chat

Transport is holding a monthly Coffee and a Chat program at the Potbelly on the last Wednesday of each month from 10am to 12pm.

If you have any questions about the project come on down and speak directly with our project team.

Upcoming dates for Coffee and a Chat include:

- Wednesday 26 June
- Wednesday 31 July.
