

Changed traffic conditions on the Mitchell Highway between Bathurst and Orange from Monday 26 February

Vittoria Curve

February 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out important safety upgrades on the Mitchell Highway at Vittoria Curve.

What work are we doing?

Removing temporary safety barriers and asphaltting work.

When and where we'll be working

Work will take place at Vittoria Curve on the Mitchell Highway, approximately 20 kilometres west of Bathurst.

To minimise impacts to traffic, safety barrier removal will take place at night between **7pm** and **5am** from **26 February** and is expected to take approximately **two nights** to complete, weather permitting.

Following this work, asphaltting will be carried out from **Wednesday 28 February** and is expected to take up to **eight weeks** to complete, weather permitting. This work will be carried out between **7am** and **5pm** from **Monday to Friday** for the first two weeks, and then between **7pm** to **5am** from **Sunday to Thursday** for the following **six weeks**, weather permitting.

Traffic impacts

- Single lane closures
- Reduced speed limit to 40 km/h
- Intermittent stopping

All road users are advised to follow the directions of signs and traffic control and slow down on approach.

For the latest traffic updates, call 132 701, or visit livetraffic.com or download the Live Traffic NSW App.

We understand that this work will generate some inconvenience and we thank you for your patience.

What will this mean for you?

You may notice:

- Noise from machinery and equipment
- Traffic control, and signage in place

Managing our Impacts

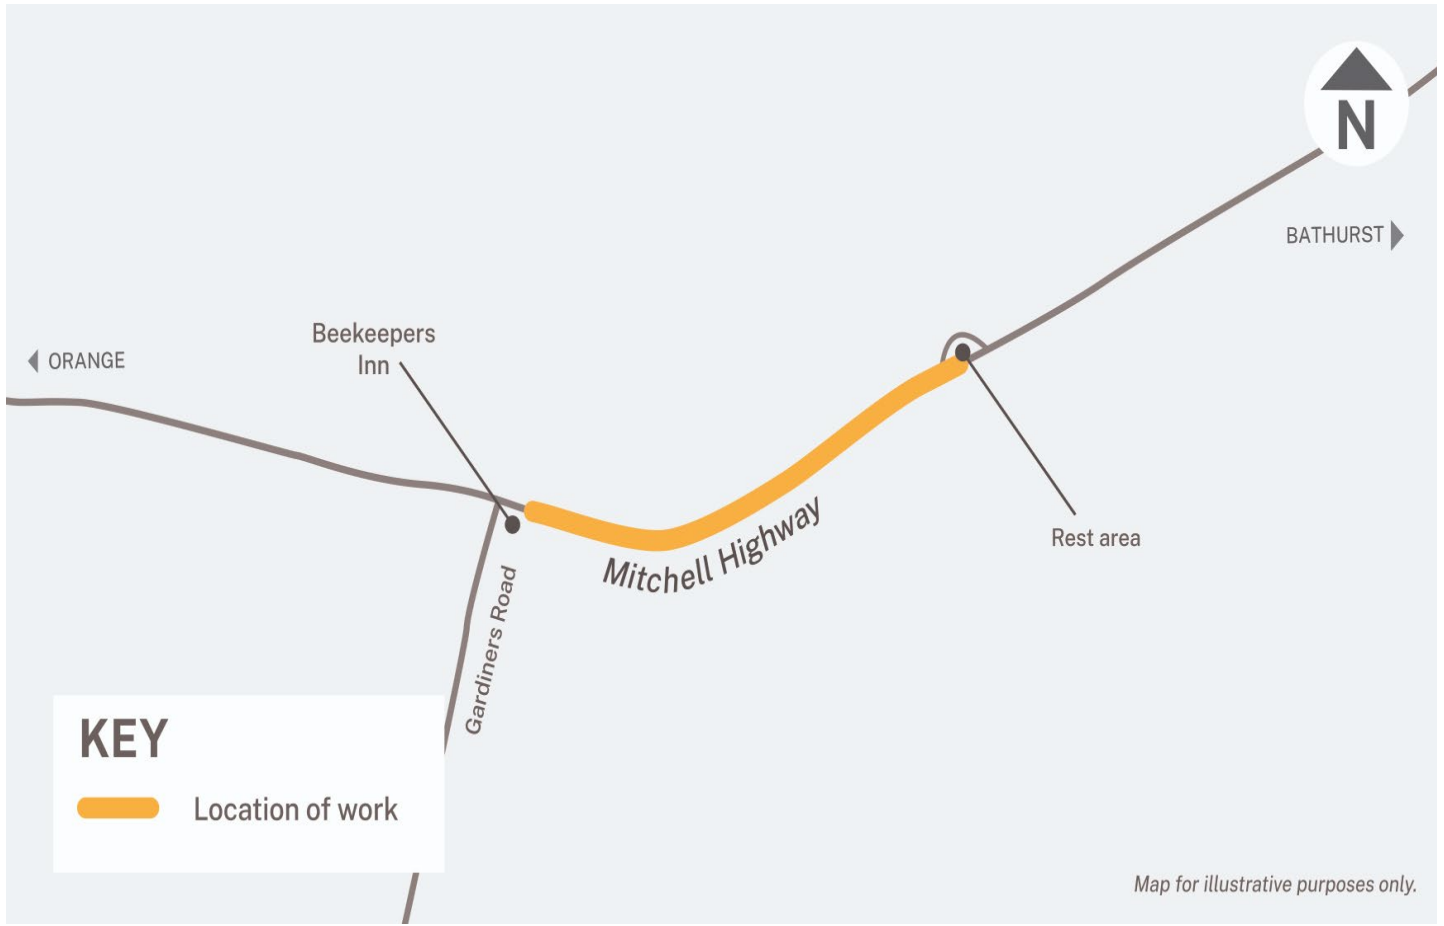

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Reducing our noise as much as possible by turning off machinery and vehicles when not in use
- Directing lighting away from residences where possible
