

Moss Vale Station and Stabling Yard Upgrade

Community notification

April 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is delivering an upgrade to Moss Vale Station and Stabling Yard to achieve Disability Standards for Accessible Public Transport 2002 (DSAPT) compliance and to accommodate the new Regional Rail fleet.

The project aims to make public transport safer, inclusive, and easy to use for all passengers, especially people with disabilities, older people, people with prams or luggage, and others who may be experiencing mobility problems.

What work are we doing?

We will be working from **6am to 5pm on Saturday 20 and Sunday 21 April** to carry out investigation work around the footings of the Lackey Road footbridge, as well as on Platform 2.

All work is dependent on weather and site conditions and is subject to change.

Managing our impacts

Equipment to be used will include a sucker truck and various hand tools.

For the safety of staff and customers, this will take place during a scheduled trackwork period when no trains will be running, and the station will be closed.

Station staff will manage commuter redirection to bus stops using bollards and signage.

Map of the work area

Please see overleaf for further details of the work area.
