

# Night work on Mulgoa Road between Jeanette Street and Blaikie Road on 19, 20, 22, 26 and 27 August 2024

August 2024

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respects to Elders past and present

Transport for NSW is continuing work on the Mulgoa Road upgrade between Jeanette Street and Blaikie Road. **Night work is scheduled on 19, 20, 22, 26 and 27 August 2024.**

We will be working on Mulgoa Road, at the corner of side streets and the M4 Motorway ramps (see map on next page).

Working hours are **6pm to 7am on:**

- **Monday 19, Tuesday 20, Thursday 22, Monday 26, and Tuesday 27 August 2024.**
- In case of bad weather or operational issues, we will work on **Wednesday 21, Friday 23, and Wednesday 28 August 2024.**

We will be using machinery such as temporary light towers, concrete saw, rollers, street sweeper, excavator, plate compactors, tipper trucks, a concrete agitator, concrete vibrators, vacuum trucks, saw cutting equipment, excavators (including with breaker attachments) and other trucks for transporting material.

## What work are we doing

- Installing utilities on Mulgoa Road, M4 ramps, and side streets
- Temporary road surface work on Mulgoa Road, side streets and M4 ramps
- Preparing to switch over to newly installed utility services along Mulgoa Road and side streets
- Preparing to adjust traffic lights on Mulgoa Road
- Drainage work on Mulgoa Road, side streets and M4 ramps
- Restoring the site when work is finished.

The stockpile site at 95 Blaikie Road will be used on all the above nights.

## What will this mean for you?

While our work may be noisy at times, we will do everything we can to minimise its impact, including turning off machinery when not in use. We will try and complete the noisier part of the work before midnight. However, there may be some intermittent noisy work after midnight. You may hear some squawking from reversing trucks and flashing lights while we restore the worksite. These are

essential for us to maintain safe work practices.

## Traffic changes

There will be lane and road closures during the night work along Mulgoa Road. To ensure the safety of workers and road users, there will be traffic controllers

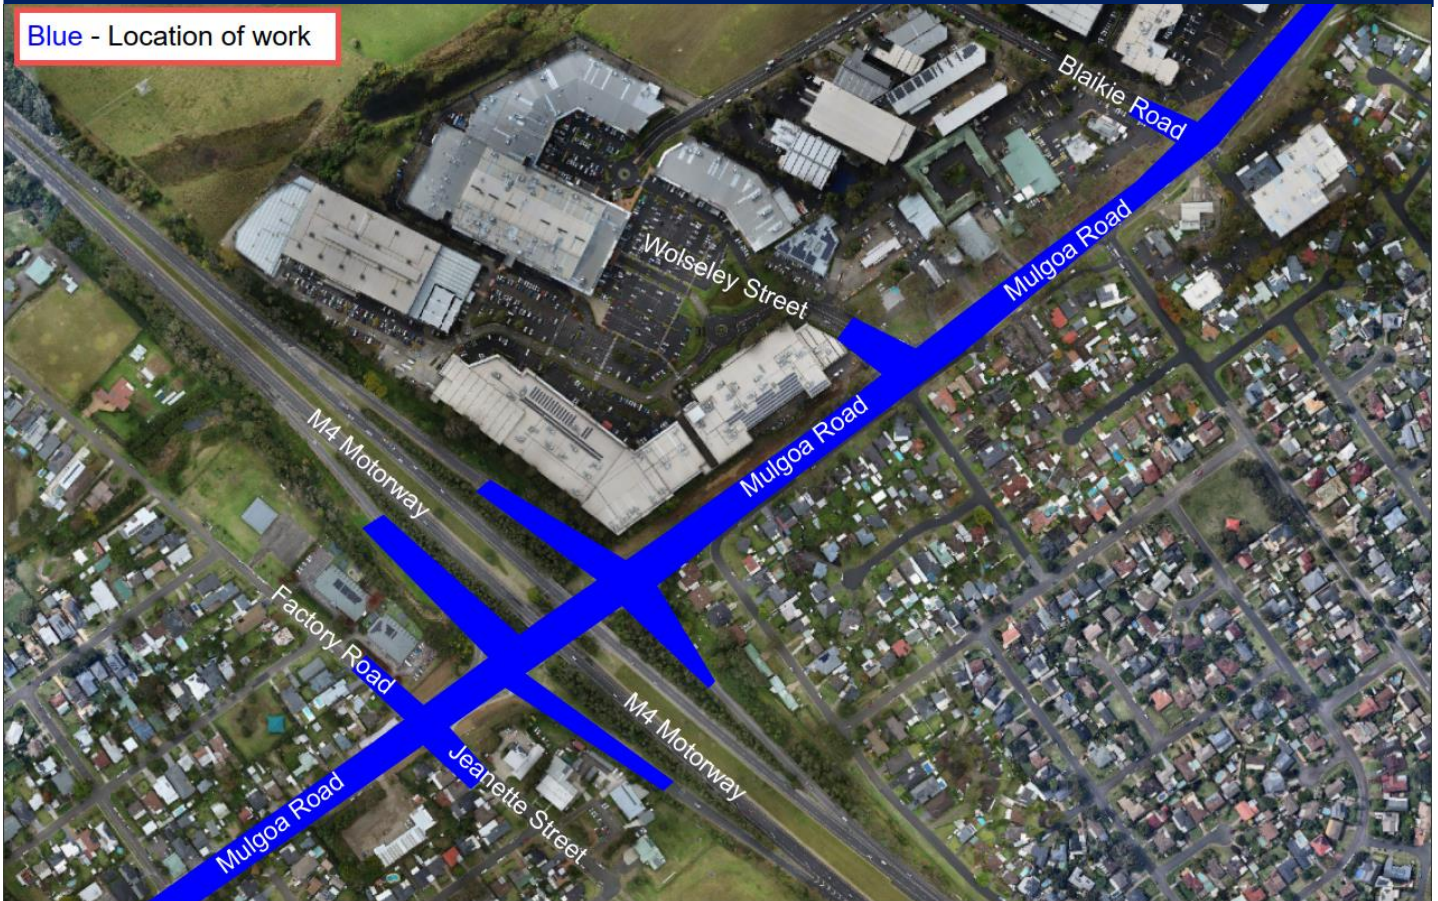

to guide drivers.

Please keep to speed limits and follow the direction of traffic controllers and signs.

Thank you for your patience during this important work.
