

Traffic changes and night work on Mulgoa Road between Jeanette Street and Blaikie Road on 17, 21, 22 and 24 October 2024

October 2024

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respects to Elders past and present

Transport for NSW is continuing work on the Mulgoa Road upgrade between Jeanette Street and Blaikie Road. **Night work** is scheduled on **17, 21, 22 and 24 October 2024**.

We will be working on Mulgoa Road, at the corner of side streets and the M4 Motorway ramps (see map on next page).

Working hours are **6pm to 7am on:**

- **Thursday 17, Monday 21, Tuesday 22, and Thursday 24 October 2024.**
- In case of bad weather or operational issues, we will work on **Friday 18, Wednesday 23 and Friday 25 October 2024.**

We will be using machinery such as temporary light towers, concrete saw, rollers, vibratory rollers, street sweeper, trench roller, jack hammer, hammer drill, plate compactors, concrete pump, tipper trucks, street sweeper, a concrete agitator, concrete vibrators, vacuum trucks, asphalt paver, hand held rattle gun, excavators (including with breaker attachments), wheeled excavator, fixed track loader, electrical chainsaws, and other trucks for transporting material and saw cutting equipment.

What work are we doing?

- Utility and drainage investigations and installation on Mulgoa Road, side streets and M4 ramps

- Preparing to switch over to newly installed utility services along Mulgoa Road, and side streets
- Switching over to newly installed sewer main on Hutchinson Crescent and Huron Place from **14-18 October and 21-25 October 2024**
- Road maintenance work on Mulgoa Road, M4 ramps, and side streets including:
 - Barrier installation and adjustment
 - Line marking
 - Signage installation
 - Pruning vegetation
 - Pavement restoration
- Pavement construction on Blaikie Road
- Demolition and backfilling of the Wolseley Street tunnel
- Restoring the site when work is finished.

The stockpile site at 95 Blaikie Road will be used on all the above nights.

What will this mean for you?

While our work may be noisy at times, we will do everything we can to minimise its impact, including turning off machinery when not in use. We will try and complete the noisier part of the work before midnight. However, there may be some intermittent noisy work after midnight. You may hear some squawking from reversing trucks and flashing lights while we restore the worksite. These are essential for us to maintain safe work practices.

Traffic changes day and night

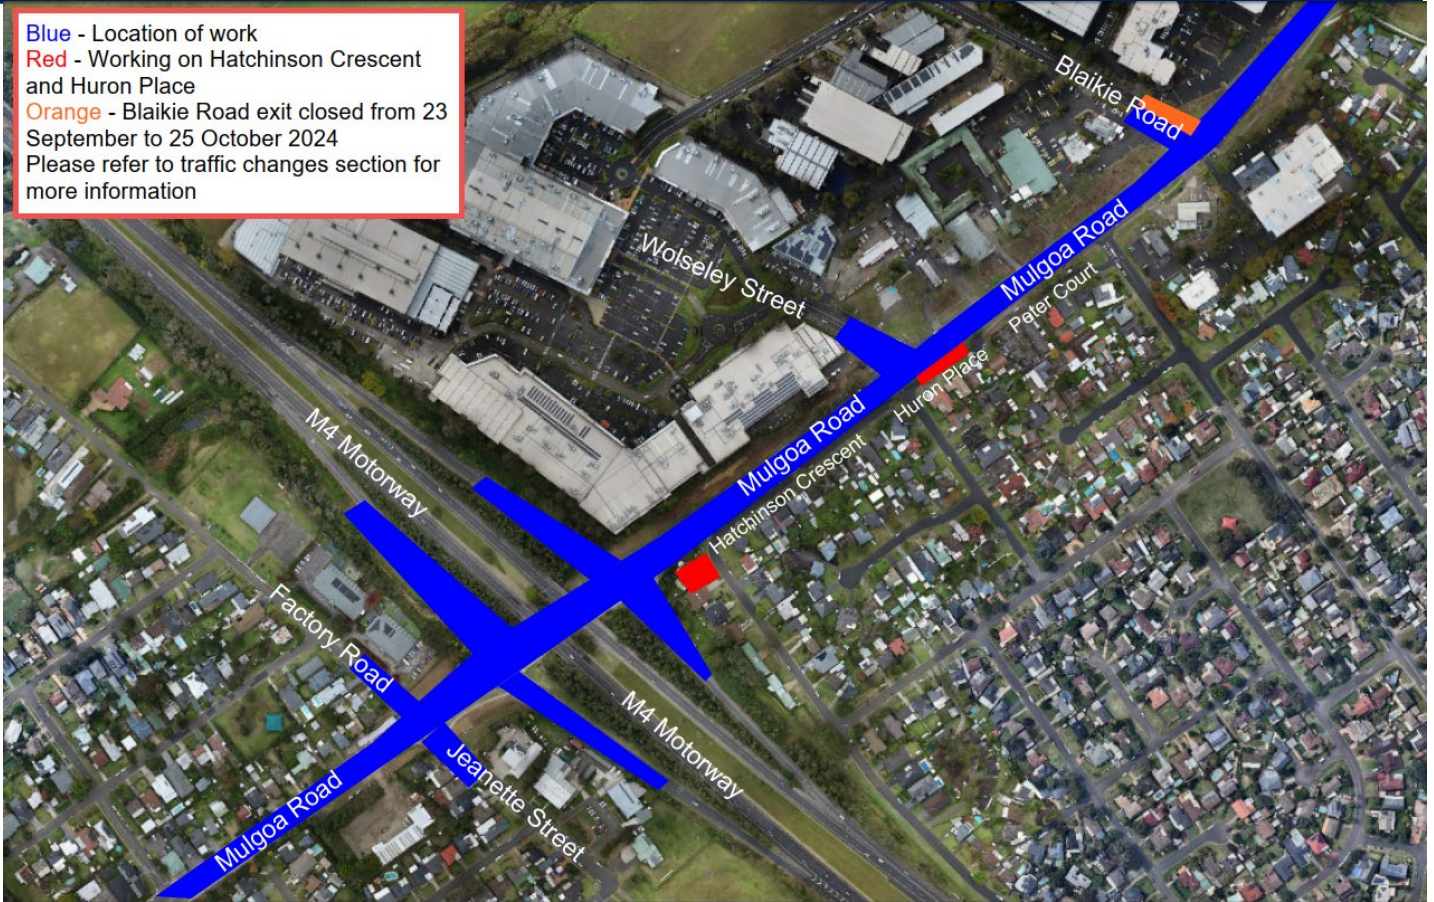

As advised earlier, the exit out of Blaikie Road onto Mulgoa Road will be closed from **23 September to 25 October 2024**. This closure was extended from **21 October 2024** due to the wet weather. Please use **Blaikie Road and Jamison Road to access Mulgoa Road**.

There will be lane and road closures during the night work along Mulgoa Road. To ensure the safety of workers and motorists, there will be traffic controllers to guide road users. Please keep to speed limits and follow the direction of traffic controllers and signs.

Thank you for your patience during this important work.

Location of night work and traffic changes on Mulgoa Road

Blue - Location of work
Red - Working on Hutchinson Crescent and Huron Place
Orange - Blaikie Road exit closed from 23 September to 25 October 2024
