

# Night work on Mulgoa Road between Jeanette Street and Blaikie Road on 28 November, 2, 3, and 5 December 2024

November 2024

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respects to Elders past and present

Transport for NSW is continuing work on the Mulgoa Road upgrade between Jeanette Street and Blaikie Road. **Night work is scheduled on 28 November, 2, 3, and 5 December 2024.**

We will be working on Mulgoa Road, at the corner of side streets and the M4 Motorway ramps (see map on next page).

Working hours are **6pm to 7am on:**

- **Thursday 28 November, Monday 2, Tuesday 3, and Thursday 5 December 2024.**
- In case of bad weather or operational issues, we will work on **Friday 29 November** and **Wednesday 4 December 2024.**

We will be using machinery such as temporary light towers, concrete saw, rollers, vibratory rollers, street sweeper, trench roller, jack hammer, hammer drill, plate compactors, concrete pump, tipper trucks, a concrete agitator, concrete vibrators, vacuum trucks, asphalt paver, hand held rattle gun, excavators (including with breaker attachments), wheeled excavator, fixed track loader, electrical chainsaws, and other trucks for transporting material and saw cutting equipment.

## What work are we doing?

- Utility and drainage work on Mulgoa Road, side streets and M4 ramps including investigation work
- Cleaning and repairing of existing stormwater pipes
- Road maintenance work on Mulgoa Road, M4

ramps, and side streets including

- Road surface work along Mulgoa Road, M4 ramps and side streets
- Preparing to switch over to newly installed utility services along Mulgoa Road, and side streets
- Demolition of the Wolseley Street Island
- Restoring the site when work is finished.

The stockpile site at 95 Blaikie Road will be used on all the above nights.

## What will this mean for you?

While our work may be noisy at times, we will do everything we can to minimise its impact, including turning off machinery when not in use. We will try and complete the noisier part of the work before midnight. However, there may be some intermittent noisy work after midnight. You may hear some squawking from reversing trucks and flashing lights while we restore the worksite. These are essential for us to maintain safe work practices.

## Traffic changes day and night

The M4 east and westbound off ramps will be closed during the day from **9am to 3pm on Tuesday 3 and Wednesday 4 December 2024.**

The southbound right turn lane onto the M4 westbound on ramp will be closed from **8pm to 5am on 28 November, 2, 3 and 5 December 2024.** Please use the Glenmore Park roundabout to do a U-turn.

The northbound right turn lane onto the M4 eastbound on ramp will be closed from **8pm to 5am on 2 and 3 December 2024.** Please detour by continuing down Mulgoa Road, The Great

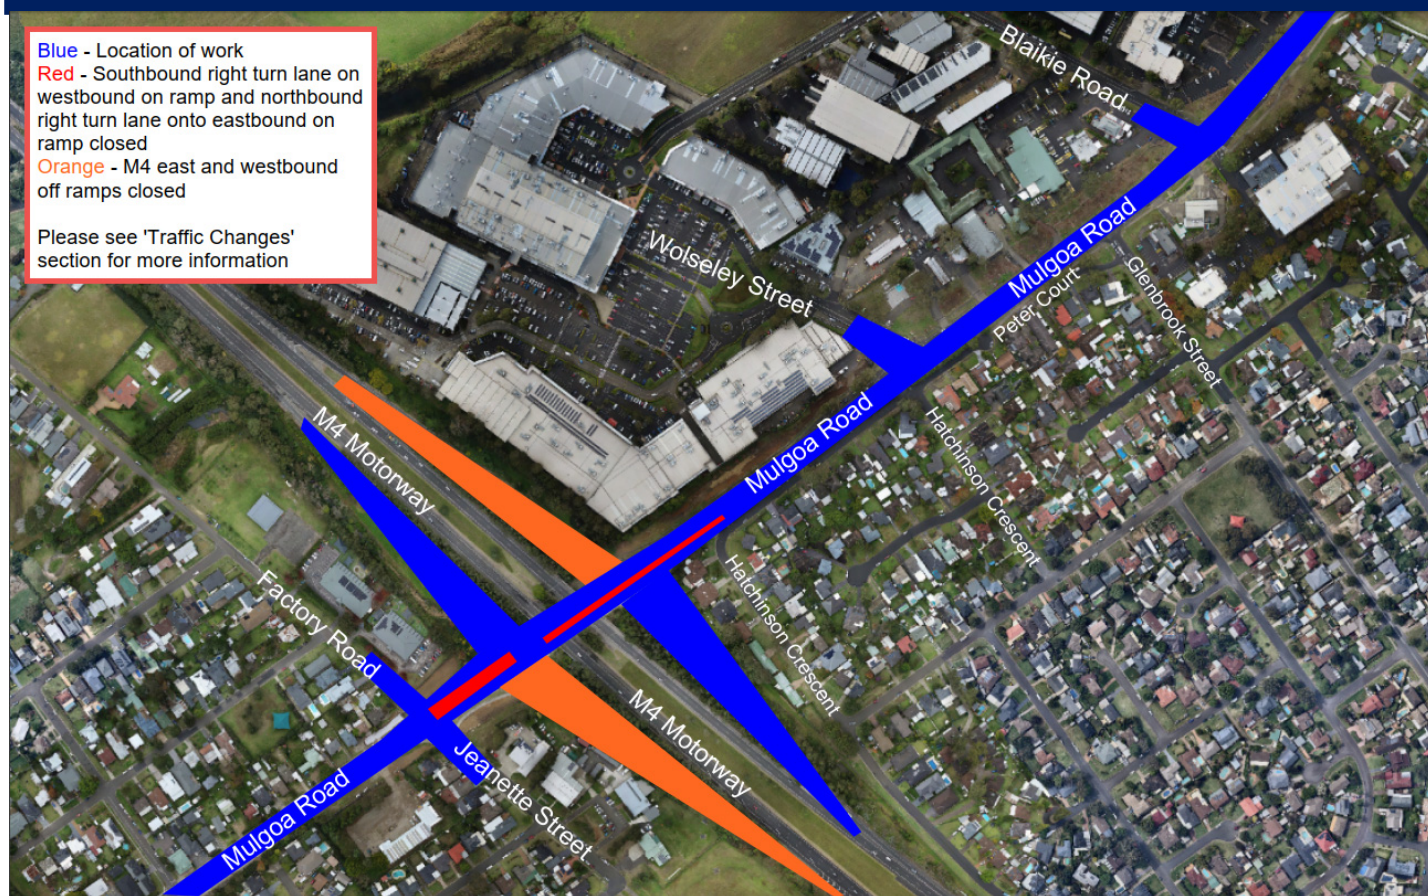

Western Highway and The Northern Road to access the M4.

There will be lane and road closures during the night work along Mulgoa Road. To ensure the safety of workers and motorists, there will be

traffic controllers to guide road users. Please keep to speed limits and follow the direction of traffic controllers and signs.

Thank you for your patience during this important work.
