

Vegetation removal on the Newell Highway south of Murrumbilla Lane from Monday 17 June

Narrabri to Moree Heavy Duty Pavement Upgrade

June 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW and Australian Governments are jointly funding the Heavy Duty Pavement Upgrade of the Newell Highway between Narrabri and Moree under the Newell Highway Upgrade program.

What work are we doing?

Lead contractor Fulton Hogan will carry out the vegetation removal work which includes clearing shrubs and trees and removing tree stumps and roots, logs and debris to allow safe access for the construction of the new highway to enable improved road safety.

The trees were assessed for removal as part of the Review of Environmental Factors (REF).

When and where we'll be working

Work will be carried out approximately two kilometres south of Murrumbilla Lane on the Newell Highway between **Monday 17 June** and **Wednesday 19 2024**, weather permitting

We'll be working from **7am to 6pm**. We have included a map to show the location of the works.

What will this mean for you?

There will be temporary traffic changes to ensure the work zone is safe including traffic control

single lane closures, intermittent stopping, and a reduced speed limit of 40km/h will be in place during work hours.

Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call **132 701**, visit **livetraffic.com** or download the **Live Traffic NSW App**.

Managing our impacts

We aim to manage our work to minimise impacts to the community and the environment. This includes:

- reducing our noise by turning off machinery, equipment and vehicles when not in use
- minimising the area of vegetation removal as much as possible, while allowing safe access for construction and maintenance of the new highway.

Residents and businesses within the work area will be directly consulted about the planned work activities prior to work commencing.

Thank you for your patience during this important work.
