

Night works for essential pavement maintenance on the Newell Highway in north Parkes from 30 June

June 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is carrying out essential maintenance work at various locations along the Newell Highway in north Parkes.

What work are we doing?

The work will include asphaltting to repair damaged road surfaces on the Newell Highway at **three locations between the Currajong Street intersection and Bushman Street intersection** in north Parkes.

We have included maps to show the location of our work areas.

When we'll be working

We will be working between **7pm and 5am Sunday to Thursday, from 30 June.**

We expect to complete the work in **six nights, weather permitting.**

We will let you know in advance if we need to do any work outside these times.

What will this mean for you?

There may be temporary impacts to vehicle and pedestrian access while the work is carried out.

Please ensure **vehicles are parked off-street prior to the commencement of work at 7pm each night** for the **six-night duration of the works.**

Please contact us if you have any specific requirements that need to be met during this time.

Managing our impacts

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by completing louder activities earlier in the evening and turning off machinery and vehicles when not in use.

There will be some temporary traffic changes to ensure the work zone is safe.

The **road will remain open with single lane closures and a 40km/h speed limit** in place during work hours which may affect travel times.

There may also be local road detours in place during these work hours. Please keep to speed limits and follow the direction of traffic controllers and signs.

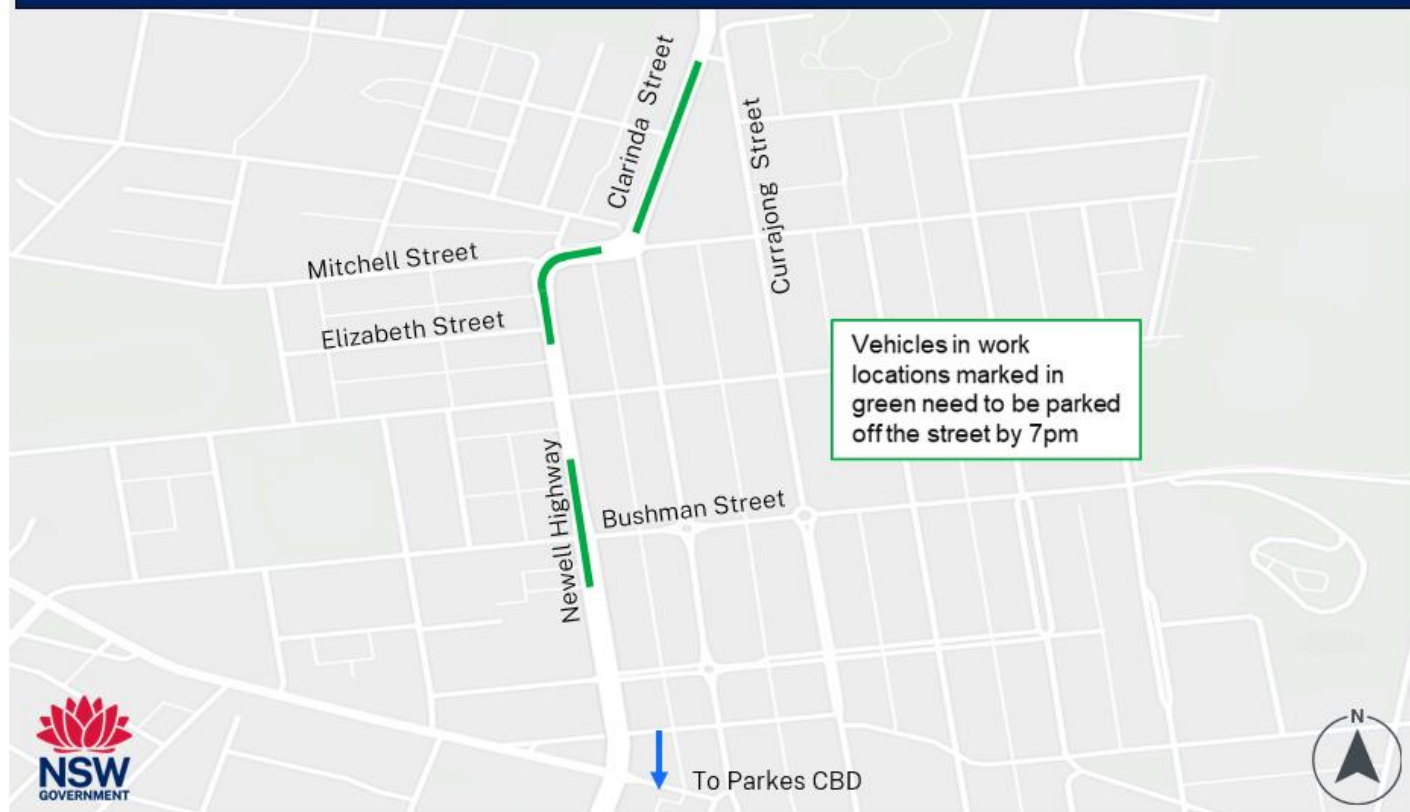

Motorists should allow up to five minutes extra travel time.

Please keep to speed limits and follow the direction of traffic controllers and signs.
