

Night works for essential pavement maintenance on the Newell Highway in south Parkes from 8 July.

June 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is carrying out essential maintenance work at various locations along the Newell Highway in south Parkes.

What work are we doing?

The work will include asphaltting to repair damaged road surfaces on the Newell Highway at various locations between Station Street and Saleyards Road in south Parkes.

We have included maps to show the location of our work areas.

When we'll be working

We will be working between **7pm** and **5am Sunday to Thursday**, from **Monday 8 July**.

We expect to complete the work in **9 nights**, weather permitting.

We will let you know in advance if we need to do any work outside these times.

What will this mean for you?

There may be temporary impacts to vehicle and pedestrian access while the work is carried out.

Please ensure **vehicles are parked off-street prior to the commencement of work at 7pm each night** for the **9-night duration of the works**.

Managing our impacts

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by completing louder activities earlier in the evening and turning off machinery and vehicles when not in use.

There will be some temporary traffic changes to ensure the work zone is safe.

The **road will remain open with single lane closures and a 40km/h speed limit** will be in place during work hours which may affect travel times.

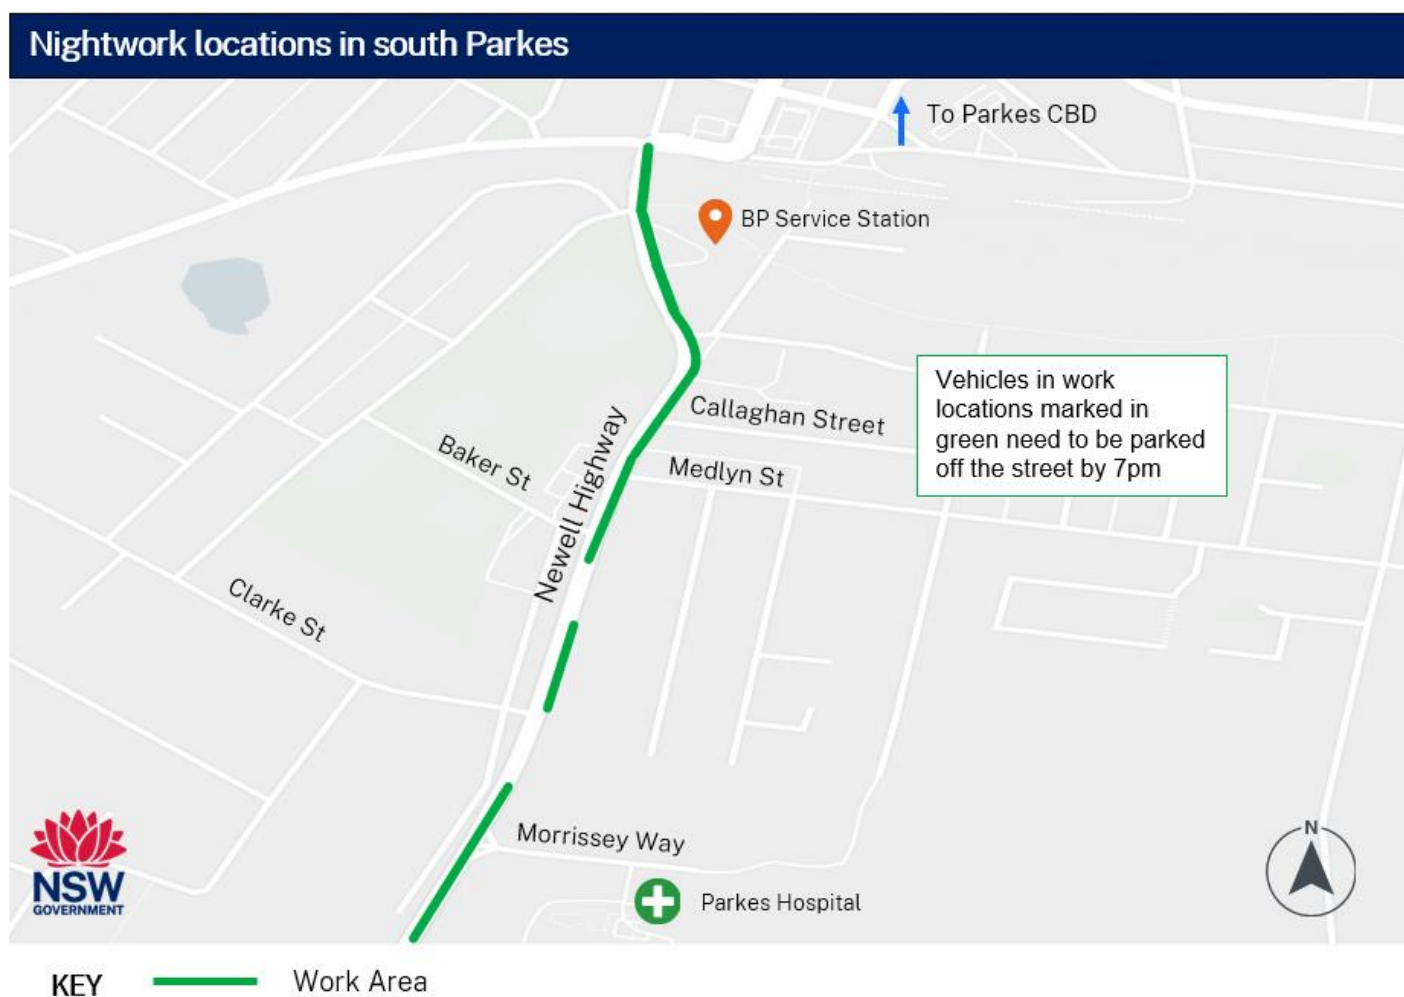

There may also be local road detours in place during these work hours. Please keep to speed limits and follow the direction of traffic controllers and signs.

Please keep to speed limits and follow the direction of traffic controllers and signs.

Motorists should allow up to five minutes extra travel time.
